CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Merced has prepared the 2021 Consolidated Annual Performance and Evaluation Report (CAPER) for the period of July 1, 2021, through June 30, 2022. The 2021 CAPER describes a general assessment of the City's progress in carrying out projects and programs during the 2021 Program Year with the use of CDBG, HOME, and CDBG-CV funds, provided by the U. S. Department of Housing and Urban Development (HUD), primarily to benefit Low and Moderate Income persons (LMI) and/or LMI areas within the City limits.

The CDBG award for the 2021-22 program year was \$1,132,674, with approximately \$233,833.99 in Program Income received during the program year. Carryover from previous years also contributed to the continued efforts of ongoing projects and programs. Overall, a total of \$3,410,839.35 in CDBG funds was spent during the snapshot period of July 1, 2021, to June 30, 2022.

The HOME award for the 2021-22 program year was \$548,734, with approximately \$682,426.32 in Program Income. Carryover from previous years also contributed to the continued efforts of ongoing projects and programs, and the 2021-22 HOME expenditures were \$163,191.41. Funds from the remaining 2021 HOME allocation, prior carryover, and accumulated program income at this time are set aside for construction of affordable rental housing projects, HOME CHDO projects, and to complete a project on E. Main Street with Habitat for Humanity of Stanislaus County's "Brush With Kindness" homeowner rehabilitation program. HOME funding for the Gateway Terrace II affordable housing project will be defunded.

The City of Merced allocated CDBG funds during the 2021-22 program year to multiple permanent supportive housing and social service agencies in order to meet the housing and community priorities and goals set forth for the 2020-2024 Strategic Plan period. Additionally, the City set aside CDBG funding for public infrastructure projects in expectation of being able to achieve its infrastructure goals and CDBG funds to implement a program to maintain homeless encampments on State-owned properties.

At the start of the 2021-22 program year, the City was nearly a year behind in implementing 2020-21 CDBG programs. Having only received 2020 Annual Plan HUD approval of funding and project activities during the span of March to May of 2021, City staff were still drafting and executing 2020 contracts with subrecipients while concurrently holding public hearings for approval of the 2021 Annual Plan, which was approved by City Council on July 6, 2021, and HUD on October 27, 2021, and while preparing the 2020-21 CAPER for its September 2021 submittal. With most

2020 projects not fully implemented by June 30, 2021, the delays experienced with the 2020-24 Consolidated Plan/2020 Annual Plan were devastating to the City's normal annual CDBG timeline, and then subsequently, severely affected the City's ability to also expeditiously implement its 2021 programs. Adding to those complications, the City unexpectedly received large payoffs of CDBG, HOME, and LMI Asset Fund resources midway through the 2020-21 program year, which meant very large prior-year resource balances heading into the 2021 program year. However, the City is slowly recovering - two 2021 contracts are currently being drafted, and once executed, the City will be completely caught up to its normal annual timeline for 2022, albeit still with large CDBG balances to expend during the year to meet timeliness requirements.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City of Merced's 2020-2024 Consolidated/Strategic Plan identifies four Priority Needs, with associated goals, that will be addressed during the 5-year period it covers (July 1, 2020 – June 30, 2025):

1. Expand and Improve Public Infrastructure and Facilities

Associated Goals: 1A - Improve Public Infrastructure & Facilities

2. Preserve and Develop Affordable Housing

Associated Goals: 2A - Increase Owner Occupied Rehab Opportunities; 2B - Increase Affordable Housing Opportunities; and, 2C - Provide

Assistance for Supportive Housing

3. Public Services and Quality of Life Improvements

Associated Goals: 3A - Provide Vital Services for LMI Families; and, 5 - Enhance Fair Housing Knowledge and Resources

4. Homelessness Housing and Support Services

Associated Goals: 4A - Provide Homeless Prevention & Support Services

During the 2021 Program Year, the second year of the Consolidated Plan, the City of Merced focused on the below-listed goals to address the above needs, particularly focusing on the need for affordable housing and expenditure of CDBG funds. No projects were directed towards Goal 2A for the 2021 program year.

- Goal 1A Improve Public Infrastructure & Facilities
- Goal 2B Increase Affordable Housing Opportunities
- Goal 2C Provide Assistance for Supportive Housing
- Goal 3A Provide Vital Services for LMI Families
- Goal 4A Provide Homeless Prevention & Support Services
- Goal 5 Enhance Fair Housing Knowledge and Resources

Program Year 2021 Use of Funds Towards Goals:

Direct and Indirect Administrative funds for both CDBG and HOME are spread amongst all goals each year in managing the overall program. Goal 1A. Improve Public Infrastructure and Facilities: The 2021 Annual Plan set aside a total of \$1,917,333 of CDBG funding for six separate public infrastructure projects with the City Engineering Division, including the design and contractor bidding process, to use the large amount of CDBG program that had been received the prior program year. However, due to Engineering staffing constraints and a large number of projects already in progress that had experienced COVID-related delays of their own, combined with Housing Division staffing constraints in light of the continuing push to recover from the accumulated COVID-related delays, no CDBG infrastructure projects were started during the program year. As such, all but one of these projects will not move forward to implementation. The S. Canal Street/W. Childs Avenue project will be

implemented during the 2022-23 program year, with supplemented 2022 funding. The remaining CDBG funds will be reprogrammed to new 2022 CDBG projects and activities. Additionally, the Childs and B Street Neighborhood facility, the community building for this affordable housing complex, was completed during the 2021 program year. The final building to be completed in the development received its Certificate of Occupancy on 7/28/2022, and tenants will be moving into the units soon. Goal 2B. Increase Affordable Housing Opportunities: The 2021 Annual Plan set aside \$719,292 of CHDO HOME, which can be used towards rehabilitation or new construction of rental units. Additionally, \$3,083,927 of formula HOME funds for affordable rental units was set aside specifically for new affordable rental housing construction. The City is currently in discussions with an affordable housing developer for construction of a new 156-unit apartment complex. The developer is considering partnering with the Community Housing Development Organization (CHDO) provider, Central Valley Coalition for Affordable Housing, for the project, for a combined potential of \$3.8 million towards this potential project. No funding commitments have been made thus far. Goal 2B is also addressed with the acquisition with rehabilitation projects discussed in 2C below. Goal 2C. Provide Assistance for Supportive Housing: The Housing Division implemented two acquisition with rehabilitation programs totaling \$990,000 of CDBG funding that proposed to purchase single family and duplex units, rehabilitate them, then rent to case-managed formerly homeless and/or low-income tenants, thereby creating more supportive and affordable units in the City of Merced. At the end of the program year, each organization (Sierra Saving Grace Homeless Project and the Merced Rescue Mission) had properties in escrow at varying stages of the purchase process. As such, contracts for these programs will extend to the Fall of 2022. The two projects also address Goal 2B above, by creating and providing more affordable rental unit options for lowincome tenants.

(Continued - 1)

Goal 3A. Provide Vital Services for LMI Families: The 2021 Annual Plan set aside \$56,412 of CDBG funds for Harvest Time, a non-profit organization that distributes food to homeless and LMI individuals and families both in the City of Merced, for food distribution program operation costs (staffing, insurance, and electric utilities), as well as costs to construct additional dry storage space within their existing leased warehouse building. By June 2022, \$17,404.24 has been expended for operation costs, and Harvest Time distributed food to 610 LMI households and approximately 368 homeless individuals during the program year. Prior year (2020) funding was also provided to Harvest Time for purchase and installation of new walk-in cold storage units to replace their failing 30-year-old units. However, at the start of the 2021 program year, again because of COVID-related delays, costs for the 2020 project had increased substantially since their initial price quote, and the 2020 grant would no longer cover the purchase and installation costs of the units. As such, \$20,000 of the 2021 program funding has been diverted away from the additional storage and towards the cost increase for the units. The contractor has submitted the necessary building permit plans, and the permit is in the plan check process. Approximately \$32,000 remains to be drawn for the units, with the remaining balance of the 2021 grant for operating costs. Sierra Saving Grace Homeless Project (SSG) successfully implemented Rental, Mortgage, and Utility

Assistance activities with \$20,000 of CDBG funding, assisting 24 households and benefitting 60 individuals by the end of the program year. Due to the large amount of CARES Act Coronavirus rental/mortgage/utility assistance that is still available in the community (see separate discussion below), including the separate CDBG-CV (Coronavirus) program that SSG administers, assistance was provided to the participants, but not as expeditiously as in non-COVID years previous. Additionally, because they are managing both programs, SSG had not submitted a request for reimbursement to the City before the end of the 2021 program year. Thus, the reports at the end of this report do not show any funds drawn down. Their CDBG program will still have a small amount of funds remaining into the 2022 program year and will use this before closing out the 2021 program. The 2021 plan set aside a total of \$33,480 of CDBG funding to support the life skills education and housing deposit program of the Alliance for Community Transformation (ACT) emergency shelter for victims of domestic violence (Valley Crisis Center). As with other programs, the ACT program was affected by the accumulated COVID-related delays, and the program will continue into the 2022 program year. In the last CAPER, it was reported that their 2020 program funding of \$10,800 would be expended during the 2021 program year. However, because of the severe delays involved with the approval of the 2020 Annual Plan, ACT was not able to implement the program in time. Their 2021-22 contract was amended to increase their 2021 project by the same amount (a 29 percent increase to the 2021 contract), made possible by a larger than expected amount of CDBG program income received during the 2021 year and one project that did not move forward, which is discussed below in Goal 4A. We expect all 2021 program funds for ACT to be expended by March of 2023, and demographic and drawdown data will be reflected in the 2022 CAPER.

(Continued - 2)

Lifeline Community Development Corporation (Lifeline CDC) carried out their Empower Loughborough Community program during the 2021 program year without a contract in place that would have allowed reimbursement of eligible costs during the program year. Once a 2021 program year contract is executed, reimbursement of 2021 eligible expenses will happen quickly, by approximately October of 2022, and accomplishments for the 2021 program will be reported in the 2022 CAPER. Additionally, throughout the 2021 program year, Housing staff was working with Lifeline CDC with reimbursement of eligible expenses and closeout of the Lifeline 2019-21 program (two year contract funded with 2019 CDBG), which was affected by the pandemic for almost a year by shutting down their ability to carry out the program as originally intended. The initial two-year contract was extended twice to allow more time to fully expend the funding. Over the two years, Lifeline was able to assist approximately 2,600 households in the Loughborough Community with employment education and child educational material support through its community center. Those accomplishments are not reflected in this CAPER, as the 2019 program was from the previous ConPlan period.Like Lifeline CDC, the Symple Equazion Symple Soul Work Readiness Program was implemented during the 2021 program year, but the contract was not able to be executed by the end of the program year. Eligible expenses include job program supplies, training expenses, instruction staff costs, and post-completion job-seeking expenses. The program provided a hands-on food service work readiness program, but

providing real-time food service work in the Symple Soul food truck. The Symple Equazion 2020 project, Aim High POWER Academy, which assisted 12 Aim High Transitional Shelter participants with shelter and life skills training, was reimbursed program costs and closed out after the end of the 2021 program year ended. Therefore, drawdown of funds and demographic data for both projects will be reflected in the 2022 CAPER next year. Due to the closely interactive nature of public service programs with residents, these projects, though implemented, still were affected by the pandemic. The Housing Division is continuing to work diligently towards getting these projects current with contracts, reimbursing eligible expenses, receiving beneficiary reporting on clients served, and closing out the programs during the 2022 program year.

(Continued - 3)

Goal 4A. Provide Homeless Prevention and Support Services: The Harvest Time project for purchase and installation of replacement cold storage units and operational cost support, as explained above in Goal 3A, also provided prepared meals to homeless individuals, delivered directly to local homeless encampments by Harvest Time volunteers. Approximately 368 homeless individuals were provided this nutritional support in this manner. Due to the nature of this aspect of their project, Harvest Time did not collect ethnicity data on the individuals assisted. The 2021 Annual Action Plan included a project by the City of Merced for Homeless Encampment Maintenance and Sanitation and proposed to utilize \$60,000 of CDBG funds. The project would have provided curbside refuse containers and weekly refuse pickup by the Public Works Department, with the purpose of encouraging both a more sanitary environment for the homeless in their own spaces as well as providing a means to control and maintain the outward appearances of the encampments themselves. The City was also in discussions with a separate service provider to bring a shower facility trailer to the encampment residents for warm showers and personal hygiene. The latter activity would have received the bulk of the funding that had been set aside for the project. However, the program with the service provider was not implemented during the year and will not move forward. \$38,000 of CDBG funding was set aside in the 2021 Annual Plan to help fund a portion of staffing costs of the Merced County Human Services Agency, the administrative body that functions as the City and County Continuum of Care (CoC) Collaborative Applicant, whose purpose is the coordination, data tracking, and funding of regional homeless prevention and supportive service management programs countywide - more particularly within the City limits of Merced, where almost two-thirds (64.9%) of the countywide homeless population resides. City Housing and Merced County Human Services Agency staff worked together to draft and fully execute both the 2020 and 2021 program year contracts. The 2020 program implementation had also been severely affected by COVID-19 related delays involved with the 2020 Annual Plan approval. However, due to the length of time it had been from the end of the 2020 program year, the County no longer had any eligible expenses to submit for that particular contract, which will now be de-funded. For 2021, the City Housing Division did not fully utilize all of its set-aside indirect CDBG administration funding (Project #2 in the 2021 Annual Plan); therefore, the CoC 2021 contract was increased by \$38,000 to be able to assist the CoC Collaborative Applicant with additional eligible costs, for a total of \$76,000. Accomplishments reported for this project is the number of sheltered and unsheltered homeless individuals counted in the City of Merced during January 2021 Homeless Point

In Time count. No drawdown of funds occurred by the end of the 2021 program year, however, and will be reflected in the next CAPER.

(Continued - 4)

Goal 5. Enhance Fair Housing Knowledge and Resources:Fair Housing Services was provided by Project Sentinel, Inc. with \$30,000 of HOME funding in the 2021 program year. The Project Sentinel Fair Housing Center was able to assist 18 residents through eight case investigations, 102 residents through information and referral calls, as well as many others through outreach efforts. Additionally, their Tenant-Landlord Department provided counseling on rental rights and responsibilities to 20 Merced City households (100 individuals). Between all services, Project Sentinel successfully assisted a total of 220 Merced City residents with fair housing services. Other outreach efforts included distribution of over 5,000 informational brochures on common fair housing topics to residents throughout the City, at locations such as fairs, schools, and to other community organizations to then share with their clients. The conditions of the pandemic continued into PY 2021-22 with varying levels of tenant eviction protections under the law and Emergency Rental Assistance Program with fair housing problems, especially for persons with disabilities and very low-income, encountering discriminatory treatment. Project Sentinel staff continued to provide services remotely via email, phone, and mail due to COVID-19 restrictions. However, midway through the program year, their staff was able to conduct more in-person outreach events, which created more awareness of fair housing services. As a result of these in-person events, Project Sentinel experienced an increase in calls for assistance and requests for educational presentations.

CARES Act Coronavirus Community Development Block Grant (CDBG-CV) Funds

In Spring of 2020, a new coronavirus known as SARS-CoV-2 was first detected in Wuhan, Hubei Province, Peoples Republic of China, causing outbreaks of the coronavirus disease COVID-19 that spread globally. The first case was reported in the United States in January 2020. In March 2020, the World Health Organization declared the coronavirus outbreak a pandemic and a national emergency was declared. During the same time, the State of California declared a state of emergency, shutting down large gathering places and limiting the movement of residents.

Locally, the City and County of Merced both declared a local state of emergency on March 13, 2020.Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act in response to the crisis, and it was signed into law by the President on March 27, 2020. The CARES Act was an over \$2 trillion economic relief package that provided direct economic assistance for American workers, families, and small businesses, and preserves jobs for industries. As part of the CARES Act, additional assistance was provided for HUD grantees, and the City received CARES Act allocation of CDBG funds (CDBG-CV funds) in Rounds 1 and 3. The City amended its 2019 Annual Action Plan with each round to include each CDBG-CV distribution and allocate the funding to programs that addressed the immediate community needs, which were identified during a public input process. The City has received a total of \$1,193,573, of CDBG-CV funds, and repurposed \$125,239 of regular CDBG funds to be used

towards combating the local effects of the pandemic. Since the 2019 plan was part of the prior Consolidated Plan (2015-2019), which had slightly different strategic and annual goals, the CDBG-CV projects address different, but similar, ConPlan goals than the 2021 projects discussed above. All CDBG-CV projects address Goal #2 Support Services of the 2019 Annual Action Plan. Under this goal, the City implemented four programs that continue to address community COVID needs through the pandemic, while addressing the prior ConPlan identified priority needs of: Public Services, Homeless Services (prevention), and Job Creation and Retention. The trends in community need that have been consistent over the last two ConPlan periods have been amplified by the effects of COVID-19, especially the needs of very low- to low-income residents who are at risk of homelessness and who regularly experience food insecurity. It is generally these low-income residents who are typically the workers employed by the types of businesses, such as restaurants/bars and personal service (gyms, hair and nail salons, etc.), that were the first to be affected by State-mandated closures and among the last to re-open.

CDBG-CV Continued - 1

The four CDBG-CV programs are:1. Merced County Food Bank; COVID-19 Nutrition Program (Implemented January 2021)Activity: Food Bank Assistance (operation costs)Total Project Funding (combined Rounds 1 and 3): \$200,000 Drawn: \$200,000Accomplishments: Expected: 35,000 persons (Round 1 only) Actual by 6/30/22: 72,137 persons (total served from both Rounds) Current Project Status: This project is complete. This project assisted all residents of the City of Merced who needed COVID related food supplements. The project provided the Merced County Food Bank (MCFB) crucial funding during turbulent times throughout the pandemic. Pre-pandemic, MCFB served 12,000-15,000 people per month through normal distribution channels (churches, food pantries, etc.) and 150-200 people per day who received food boxes directly from the MCFB location. By the end of 2021, those numbers increased to 15,000-19,000 people per month and over 1200 people per day on-site. During the grant period, MCFG provided the community an additional 300,000 pounds of food, which is a 55% increase year over year. Without CDBG-CV funding to hire additional staff and purchase more food for distribution, MCFB would not have been able to serve the additional demand for food resources, and the community would have faced significant consequences as a result. 2. United Way of Merced County; Workplace Stabilization Program (Implemented August 2021) Activity: a) For-Profit Small Business Assistance (SBA); and b) Microenterprise Assistance Total Project Funding (Round 1 only): \$500,000 Drawn to Date: \$49,398.47Accomplishments: Expected: 50 businesses assisted Actual by 6/30/22: 4 businesses assisted (3 SBA, 1 Microenterprise) Current Project Status: This project is continuing. United Way began accepting applications for assistance from businesses in October of 2021 for reimbursement of eligible expenses dating to the start of mandated business shutdowns (March 2020). By March 2022, United Way had recorded 96 started applications by businesses needing assistance, which is more than the program is expected to be able to serve. As of August 2022, United Way has 13 approved applications pending reimbursement, 7 applications received and under review, 3 applications fully submitted and not yet reviewed, and 78 applications started in the online application system but not finished or submitted. A total of 25 applications have been reviewed and denied for various reasons, and 6 have been voluntarily

withdrawn by the businesses. With United Way providing a maximum of \$7500 per business, there will be enough funds to reimburse 56 businesses (\$420,000 still available to draw). The grant provided 10% (\$50,000) for United Way direct staffing and related program operations costs, of which \$19,397 has been reimbursed to United Way.

CDBG-CV Continued - 2

3. Salvation Army; Merced Social Services Program (Implemented January 2021)Activity: Subsistence Payments/Rental, Mortgage, and Utility AssistanceTotal Project Funding (combined Rounds 1 and 3): \$302,648 Drawn to Date: \$48,906 Accomplishments: Expected: 45 households Actual by August 2022: 40 householdsCurrent Project Status: This project is continuing. This program provides rental, mortgage principle and interest, and electric/gas utility payments assistance to landlords/mortgagors/providers for a maximum of six consecutive months, including the payoff of arrears with the first assistance payment. The Salvation Army is required to coordinate with Sierra Saving Grace (below) to ensure that participants are not using both programs. After their contract with the City was executed in January of 2021, Salvation Army began assisting Merced City residents who have lost income due to COVID-related reasons in earnest in July 2021, after getting a slow start due to a change in command at the Merced Corps office. Since then, they have assisted 40 households with rental, mortgage, and electric/gas utility payment assistance. The City currently is processing another request for reimbursement of assistance in the amount of \$33,792, and Salvation Army is preparing another to submit. As the pandemic continues with new cases and continuing loss of income, this assistance continues to provide Merced residents with vitally needed help to keep their housing and utilities in good standing.4. Sierra Saving Grace; COVID Emergency Assistance Program (Implemented January 2021)Activity: Matrix Code 05Q; Subsistence Payments/Rental, Mortgage, and Utility AssistanceTotal Project Funding (combined Rounds 1 and 3): \$316,164 Drawn to Date: \$167,413Accomplishments: Expected: 50 households Actual by August 2022: 43 householdsCurrent Project Status: This project is continuing. This program provides rental, mortgage principle and interest, and electric/gas utility payments assistance to landlords/mortgagors/providers for a maximum of six consecutive months, including the payoff of arrears with the first assistance payment. Sierra Saving Grace is required to coordinate with the Salvation Army (above) to ensure that participants are not using both programs. After their contract with the City was executed in January of 2021, Sierra Saving Grace immediately began assisting Merced City residents who had lost income due to COVID-related reasons. Since then, they have assisted 43 households with rental, mortgage, and electric/gas utility payment assistance, for a total of \$167,413 reimbursed to date. As the pandemic continues with new cases and continuing loss of income, this assistance continues to provide Merced residents with vitally needed help to keep their housing and utilities in good standing. Sierra Saving Grace also administers the non-COVID CDBG subsistence payments program listed and described elsewhere in this report.

Timely Expenditure of CDBG funds:

Unfortunately, because of one CDBG project not being able to be implemented during the 2021-22 year and others needing to be extended into the 2022 program year, this has meant that the City did not meet its normal timeliness obligations with regards to the timely expenditure of 2021 CDBG funds by its yearly May 2nd deadline. However, a HUD Memorandum dated October 21, 2021, entitled, Community Development Block Grant (CDBG) Entitlement Program, Restarting the Corrective Actions Process for Untimely Expenditure, provides grantees like the City of Merced, and other jurisdictions experiencing expenditure challenges since the start of the pandemic, a temporary revision to its corrective action process, in order to help address the ongoing, overlapping effects that the City has experienced due to the pandemic and the administrative burdens the additional CARES Act CDBG-CV funding issued during the 2020-21 program year has created.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG	HOME
White	185	0
Black or African American	76	0
Asian	8	0
American Indian or American Native	3	0
Native Hawaiian or Other Pacific Islander	0	0
Total	272	0
Hispanic	66	0
Not Hispanic	206	0

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

Please note that the above numbers do not reflect the 401 individuals assisted with CDBG funds who identify as "Other Multi-Racial," 3 individuals who identify as "American Indian/Alaskan Native and White," 2 individuals who identify as "Asian and White," and 2 individuals who identify as "Black/African American and White."

Of the programs that were implemented and closed out prior to the end of the Fiscal Year, the Housing Division and its public service partners was able to provide funding to assist or benefit approximately 2406 individuals through Public Service funding (not including Acquisition and Rehabilitation or administrative fund projects). The City provided HOME administrative funding to Project Sentinel, Inc., for fair housing services, which assisted a total of 220 individuals with housing discrimination case investigation, tenant/landlord counseling, and information and referrals, and to the Merced City and County Continuum of Care, which provided assistance to approximately 482 Point-In-Time (P.I.T.) homeless individuals, both sheltered (258) and unsheltered (224), that were residing in the City of Merced at the start of the program year (counted Thursday, January 28, 2021). Some of these individuals were assisted through CDBG funding to two Acquisition programs, as well as by Harvest Time's food distribution program that delivered meals directly to homeless encampments throughout the City.

The populated data is not reflective of projects that were not implemented and/or closed out this fiscal year, projects currently underway or nearing completion, or other non-HUD funded housing projects. These accomplishments will be reported in the 2022 CAPER next year.

Most notable of the unfinished programs is Harvest Time's replacement walk-in freezer/refrigerator

unit, which still has not yet been installed pending approval of a building permit, which has needed several plans and specifications corrections, and Alliance for Community Transformations that planned to provide job and life skills training to shelter residents. Also delayed were the Lifeline CDC and Symple Equazion Symple Soul employment training programs, as well as the two acquisition programs (Merced Rescue Mission and Sierra Saving Grace Homeless Project) that were still affected by the delays that occurred over the previous (2020) program year due to the Coronavirus pandemic and related outreach restart, and late program implementation. Although both were able to finalize closings on their delayed 2020 projects early in the 2021 program year, both 2021 acquisitions were unable to close escrow on residential properties by year end, although both opened escrows in the Spring. Therefore, both 2021 acquisition programs will continue into the first three to four months of the 2022 program year. The 2022 CAPER, due next year, will reflect the accomplishments of all these delayed 2021 programs, as the City continues to work to get fully caught up on the accumulated pandemic program delays.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made	Amount Expended
		Available	During Program Year
CDBG	public - federal	3,409,269	3,410,839
HOME	public - federal	3,858,092	163,191
Other	public - local	700,507	0

Table 3 - Resources Made Available

Narrative

The City of Merced received \$1,132,674 in 2021 Community Development Block Grant (CDBG) and \$548,734 in 2021 HOME Investment Partnership (HOME) formula funds. Through the repayment of existing rehabilitation and first time homebuyer loans of CDBG and HOME funds, approximately \$233,833.99 in CDBG funds and \$682,426.32 in HOME funds were received as Program Income.

The City has taken no action to hinder the implementation of the 2021 Annual Action Plan and has strived to implement related projects and programs that work toward achieving its goals and objectives. However, like 2020 programs, some programs funded with 2021 funding have been unintentionally hindered by the accumulated year-to-year delays of Coronavirus pandemic, including the remaining "catch-up" work by Housing staff, and with respect to formula CDBG subsistence payments program, by the availability of other rental assistance funding still being available in the community. Additionally, the acquisition and rehab programs have been hindered by both the COVID-related implementation delays and a highly competitive housing market over the last two years.

Additional information provided in this report include approved Certificates of Consistency that were submitted by non-profit agencies applying for separate Federal funding. By approving these certificates, the City of Merced confirmed that the goals of the agencies, such as the Housing Authority of the County of Merced and Merced County Continuum of Care, are consistent with the City of Merced's goals and needs, as identified in the 2020-2024 Consolidated Plan.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
			The City allocated 70% of its CDBG funds towards low-income Eligible Census Tract areas
City Wide	30	21.7	of the City.

Table 4 – Identify the geographic distribution and location of investments

Narrative

For the 2021-22 program year, Merced anticipated that at least 70 percent of its CDBG funds would be spent reaching the 80 percent Area Median Income (AMI) disadvantaged census tracts. Additionally, as stated in the Strategic Plan, certain racially and/or ethnically concentrated areas of poverty were identified as having greater needs in the City. These census tracts are scattered throughout the community.

During the 2021 Program Year, the City was able to successfully direct 78.3% of its CDBG funding towards projects specifically located in these areas. The remaining CDBG funds were directed towards programs that would generally benefit extremely low- to moderate-income families, such as rental assistance programs, but where the specific locations of assistance - the addresses of the beneficiaries themselves - are located throughout the city.

Each year, a number of Merced's subrecipients provide services and housing to residents living in the targeted eligible census tracts, including Harvest Time (food distribution center) and Lifeline CDC (employment training) for the 2021 program year. The City's planned infrastructure projects for sidewalk, curb, and gutter improvements were also directed towards projects within these areas – however, they did not move forward during the program year.

Some of the remaining funds were targeted to the general population; however, because Merced is a relatively smaller community and low-income populations are distributed throughout, the City of Merced believes that those activities outside these census tracts will still serve low-income populations. CDBG income-eligible Census Tracts now occupy most of the total census tracts in the City: Tracts 10.03, 10.04, a portion of 10.05, 13.01, 13.02, 14.01, 15.02, 15.03, 16.01, and portion of tract 17.00.

Of the beneficiaries assisted with CDBG funding during the 2021 program year, a total of 98.26% were extremely low- to moderate-income residents of the City. Although HUD requires a minimum percentage of 70% assist LMI residents, the City always strives to reach a 100% goal. The City was especially successful in reaching a large percentage of extremely low-income population – almost 80% to this population sector. Finally, a non-LMI percentage of 1.74% can certainly be explained by the pandemic and other economic uncertainties of the last year, where some months, especially as nationwide inflation and food costs increase, even above-moderate or borderline-income families are struggling.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City is dedicated to leveraging its funds towards increasing the number of affordable housing units available to City residents. During program year 2021, the 119-unit Childs and B Affordable Housing Project "unofficially" finished construction (official Certificate of Occupancy issued 8/18/22). By the time this report is submitted to HUD at the end of September, it is likely that tenants will have moved in and would be enjoying their new homes.

During the Spring of 2021, Development Services staff received Council and Resident direction and feedback regarding options for how to spend the rest of The Grove program income funds that were received by the City in January of 2021 (as reported in last year's CAPER and the 2021 Annual Plan). Concurrently, the Housing Division was also working on and seeking public input to its 2021 Annual Action Plan, where the balance of the CDBG program income funds proposed to go towards several important public infrastructure projects and the rest of the HOME and LMI Asset Funds to helping fund affordable housing projects Council approved the 2021 Annual Action Plan on July 6, 2021, and HUD approved on October 27, 2021.

The City is currently in discussion with several affordable housing developers to begin the early stages of leveraging its remaining and future CDBG, HOME, CA Permanent Local Housing Allocation (PLHA), and American Rescue Plan Act (ARPA) U.S. Treasury funding allocations towards new affordable housing projects. Additionally, following a public process and approval of a HOME-ARP allocation plan, the City may also have HOME-ARP funds to dedicate towards affordable rental units for qualified populations, depending on the results of agency consultation and the public's input.

Additionally, the City leveraged some of its CDBG administrative funds to the City and County of Merced Continuum of Care program's Collaborative Applicant, for the administrative costs of overseeing homeless funding and programs for the nearly two-thirds of the County's homeless that reside in the City. Without the City and County funding the Merced CoC, neither the County nor the City would be in compliance with HUD rules and regulations for homeless programs.

The City is also in various stages of leveraging its Housing Successor Agency properties towards the affordable housing needs of the community, by disposing those properties to affordable housing developers, namely: Fuller Center for Housing of Merced County, Certified Containers

915, and Linc Housing.

All Participating Jurisdictions (PJs) receiving HOME funds, like the City of Merced, must contribute or match no less than 25 cents for each dollar of HOME funds spent on affordable housing. As PJs draw funds from HOME, they incur a match liability, which must be satisfied by the end each federal fiscal year. This being said, the HOME statute provides for a reduction of the matching contribution requirement under three conditions: 1) fiscal distress; 2) severe fiscal distress; and 3) for Presidentially declared major disasters covered under the Stafford Act. When a local jurisdiction meets both distress criteria in 24 CFR 92.222, it is determined to be in severe fiscal distress and receives a 100% reduction of match. Individual poverty rate and per capita income (PCI) are based on data obtained from the latest American Community Survey (ACS) estimates from Census data. In 2021, for a jurisdiction to qualify as distressed based on the poverty criterion, its percentage persons in poverty must have been at least 17.96%, and to qualify as distressed based on the PCI criterion, its average PCI must have been less than \$24,306. With a 2021 estimated poverty rate of 29.75% and a PCI of \$20,363, the City of Merced's match is reduced 100 percent.

Fiscal Year Summary – HOME Match						
1. Excess match from prior Federal fiscal year	25,393,312

Total	234	31

Table 12 - Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

1. Provision of Affordable Housing:

a. Number of Homeless households:

The City's "Homeless Encampment Maintenance and Sanitation" project did not move forward (-200) Sierra Saving Grace acquired/began rehab on a 2-unit duplex (2020 funds); garage to be an additional

unit (+1)

The Merced Rescue Mission acquired/began rehab on a 1-unit home (2020 funds) (no change) Gateway Terrace II project will no longer use HUD funding (-10)

Continuum of Care assisted sheltered and unsheltered individuals/households (no change).

Symple Equazion completed its 2020 project for transitional shelter support and staffing costs; not previously included in this category (+12)

Childs and B affordable housing project will report 30 permanent supportive units for homeless next CAPER (-30)

b. Number of Non-Homeless households:

Sierra Saving Grace completed 2020 and began 2021 rental, mortgage, and utility assistance program, assisting 29 households (+17).

Sierra Saving Grace and the Salvation Army assisted a total of 81 households with CDBG-CV rental, mortgage, and utility assistance. The -CV assistance is not reflected in the above table.

c. Number of Special-Needs households:

The Alliance for Community Transformations was provided shelter support and life skills training to 10 households; remainder to be reported next CAPER

2. Households Supported Through Project Types:

a. Rental/Mortgage and Rental Deposit Assistance:

Sierra Saving Grace – CDBG program (remainder of 2020 and 2021 CDBG): 29 households Alliance for Community Transformations – CDBG: 0 deposits disbursed (Not reported in above table: CDBG-CV programs - Sierra Saving Grace and Salvation Army: 81 households)

b. Production of New Units:

The Childs and B Street Affordable Housing Project completed a total of 119 new affordable rental housing units after the end of the program year; accomplishments and demographics to be reported in next CAPER.

c. Rehab of Existing Units:

Sierra Saving Grace Homeless Project – Acquisition with Rehab: A 2-unit property was purchased with 2020 funds, to be expanded to 3 units during rehab. Rehab was not completed by year-end, and accomplishments/demographic data will be reported in the next CAPER.

Merced Rescue Mission – Acquisition with Rehab: a 1-unit property was purchased with 2020 funds,

with minor rehab/repairs only, and occupied by an income-qualified tenant, for a total of 1 household. Rehabilitation projects using 2021 funds will be reported in next year's CAPER

d. Acquisition of Existing Units:

Sierra Saving Grace Homeless Project: The property has been acquired but is unoccupied pending ongoing rehab work; will be reported in next CAPER.

Merced Rescue Mission: 1 household

Acquisition projects using 2021 funds will be reported in next year's CAPER

Discuss how these outcomes will impact future annual action plans.

1. Provision of Affordable Housing:

Homeless: a) the accomplishments of the future Gateway Terrace II project will not be reported in future CAPERs and/or Annual Plans; b) the accomplishments of Sierra Saving Grace and Merced Rescue Mission's 2021 acquisition/rehab projects to add permanent supportive housing for formerly homeless will be reported in next year's CAPER; c) any new projects using 2021 HOME or CDBG funds to benefit homeless households will be reported in next year's CAPER.

Non-homeless: a) Any remaining households assisted with 2021 funding by Sierra Saving Grace for rental/deposit assistance will be reported on next year's CAPER; b) further CDBG-CV rental/mortgage assistance accomplishments for both Sierra Saving Grace and the Salvation Army will be reported in next year's CAPER.

Special Needs: a) the remaining accomplishments for the Alliance for Community Transformations 2021 program will be reported on next year's CAPER.

2. By Project Type:

Rental Assistance: please see above

Production of New Units: please see above

Rehab of Existing Units: a) please see above; b) we will see the restart of Habitat for Humanity's Homeowner-Occupied Rehabilitation program during the 2022 program year – therefore, these number should improve for next year's CAPER; c) with award of California HCD funds for homeowner rehab projects, and the provision of 2022 admin funds to Self-Help Enterprises to administer the program, these numbers will also be reflected here next year.

Acquisition of Existing Units: please see above

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	18	0

Low-income	8	0
Moderate-income	4	0
Total	30	0

Table 13 - Number of Households Served

Narrative Information

In the table above, HUD requires only those figures for affordable housing rental units (none), acquisition with rehab (Merced Rescue Mission), homeownership assistance (none), and rental assistance programs (Sierra Saving Grace CDBG program only) be included.

Based upon the various public service and other programs funded through CDBG and HOME for which income by family size is required, a total of 30 extremely low-, low-, and moderate-income households were assisted with housing and/or benefitted in some way regarding housing-related needs, specifically including closed-out acquisition with rehab activities (1 household) and CDBG rental, mortgage, and utility assistance (29 households) by the end of the program year. Sierra Saving Grace's acquisition with rehab purchase was not occupied by the end of the program year; therefore, no demographic and income data has been collected (will be recorded on next year's CAPER after the activity is closed out).

CDBG funds were used for activities benefitting low/mod persons and were in compliance with certifications that require no less than 70% of CDBG funding during the specified period on activities that benefit low/mod person. During the 2021-2022 program year, 98.26% of CDBG/CDBG-CV funding was directed towards LMI households and persons.

Additionally, included in the Attachments is the PR23 reports for both CDBG and HOME, which reflect Matrix Code, Accomplishment Type, Beneficiaries by Income Category, which include census for persons, and Units.

Not reflected in this table are CDBG & HOME projects still underway, projects that will close escrow and/or be closed out after June 30, 2022, CDBG activities that benefit residents living in Low/Mod Areas of the City, all CDBG-CV projects (food distribution, business/microenterprise assistance, and rental/mortgage/utility assistance), and fair housing services. Some of this additional data is provided below:

<u>Additional Low-Mod Accomplishments - HOME</u>

Project Sentinel (Fair Housing Services): 6 Extremely Low (0-30% AMI); 2 Low-Mod (31-50% AMI)

Additional Low-Mod Accomplishments - CDBG

Harvest Time (Food Distribution): 493 Extremely Low (0-30% AMI); 96 Low-Mod (31-50% AMI); 11 Moderate (51-80% AMI); 10 Non-Low Moderate (81-100% AMI)

Symple Equazion (Aim HIGH Shelter): 12 Extremely Low (0-30% AMI)

Alliance for Community Transformations (employment training): 10 Extremely Low (0-30% AMI)

Other Low-Mod Accomplishments - CDBG-CV

Sierra Saving Grace (rental/mortgage/utility): 33 Extremely Low (0-30% AMI); 7 Low-mod (31-50% AMI) Salvation Army (rental/mortgage/utility): 21 Extremely Low (0-30% AMI); 14 Low-Mod (31-50% AMI); 4 Moderate (51-80% AMI); 1 Non-Low Moderate (81-100% AMI) United Way (Businesses/Microenterprise) - employees: 14 Extremely Low (0-30% AMI); 2 Low-Mod (31-50% AMI)

Merced County Food Bank (food bank): estimated 72,137 households (income data not tracked)

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City relies on its partnerships developed through the Continuum of Care and non-profit organizations (CDBG-funded Public Service activities) to reach out directly to homeless individuals in need of these services.

Among others, the following standout positive outcomes helped to direct resources towards homeless programs and activities:

- The CDBG-funded Neighborhood Facility at the Childs and B Affordable Housing Project was completed by the end of the program year, with the HOME-funded individual apartment structures and the facility receiving their Certificate of Occupancies on August 18, 2022, after the end of the program year. The project utilized \$2,400,000 of 2020 CDBG funds towards the Neighborhood Facility, that will offer classes to the general public, and used \$1,374,000 of HOME funds towards construction of the 119 residential units, 30 of which are permanent supportive units for formerly homeless. The facility completion is recorded in accomplishments in this CAPER, and demographic data for the units will be reported in next year's CAPER.
- Though the effects of the 2020 Annual Plan approval delays continue, the Merced Rescue Mission and Sierra Saving Grace Homeless Project's acquisition with rehabilitation programs were able to successfully close escrow on properties using 2020 funding, implement new 2021 programs, then find and have new acquisition properties under escrow using 2021 funds by the end of the program year. Both programs' acquired and rehabbed homes will be offered to either case-managed formerly homeless or to very- to moderate-income families and individuals.
- A total of sixty (72) individuals in 29 households received emergency rental, mortgage, or utility payment assistance through Sierra Saving Grace's CDBG assistance program to prevent homelessness (non-COVID).
- The City of Merced provided the City and County Continuum of Care Collaborative Applicant (Merced County Human Services Agency) administrative funding support in managing homeless support and homeless prevention programs to benefit homeless who reside within the City Limits, both sheltered and unsheltered.

Additionally, the City of Merced participates in the Merced City and County Continuum of Care's Coordinated Entry (CE) system, which is linked to a wide range of public & private agencies through street outreach within the CoC jurisdiction, so that people sleeping on the streets are prioritized for assistance in the same way as all other homeless persons.

The Vulnerability Index - Service Prioritization Decision Assistance Tool (VI-SPDAT) is used to help

determine chronicity and medical vulnerability. Outreach workers administer VI-SPDAT on the streets, in encampments, and remote areas that identify the best type of support and housing interventions that fit their needs, including Permanent Supportive Housing (PSH) with a Housing First approach and Rapid Rehousing (RRH).

CoC advertises the CE process in ways that include: 1) leaving business cards of outreach workers; 2) leaving flyers that describe the process and include contact information; 3) leaving information at service sites; 4) leaving information at public locations; 5) educating mainstream service providers; 6) at events that attract homeless persons; 7) navigation center; 8) 2-1-1 help line; and 9) meal programs at centers and parks.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Merced participates in the Merced City and County Continuum of Care which is linked to a wide range of public & private agencies working together to address emergency and transitional housing needs of homeless persons. This past year, the City of Merced collaborated with the following organizations to provide immediate shelter to chronically homeless individuals or individuals at-risk of becoming homeless:

- Sierra Saving Grace Rental and Utility Payment Assistance
- Alliance for Community Transformations Valley Crisis Center (victims of domestic violence)
- Merced County COC Collaborative Applicant

The City worked with Sierra Saving Grace to assist 24 households with rental and utility payment assistance to help them pay their late rent or mortgage and utility bills. This helped these families avoid eviction or foreclosure and/or gas and electricity shut-off due to nonpayment, which would have resulted in loss of their basic means to cook meals or heat and cool their homes, crucial in summer temperatures that regularly reach over 100 degrees for days at a time.

Additionally, the City continue to work with both the Merced Rescue Mission and Sierra Saving Grace under separate programs using 2021 program funds to acquire and rehab homes to use for permanent supportive housing units within the community.

In March of 2021, Merced County opened the Navigation Center, a 15,000 square-foot, 75 bed facility that serves as a low-barrier, 24/7 emergency shelter and temporary living facility option for individuals and acts as an initial step in transitioning individuals out of homelessness and connecting them with local services. Onsite supportive services are provided, and each client is assigned a case manager, whose goal is to link them to permanent supportive and affordable housing as quickly as possible, while concurrently working on barriers to sustainability, such as lack of income or behavioral health challenges. The Merced County Rescue Mission, who is contracted by the County to manage the facility, established a Navigation Center Advisory Committee to work with partners, including businesses and organizations in the community, as a component of its policy to ensure community involvement and

coordination to maximize the program's positive impact on the surrounding neighborhood. The average anticipated length of stay is six months.

The County's Navigation Center will also partner with the property management company of the Childs Court/Childs and B Street Apartments nearby to coordinate the permanent housing of up to 30 Navigation Center clients. In this way, it allows for a more comprehensive case management plan of the client/resident and a chance for greater success in that endeavor.

The Merced Rescue Mission has seen additional success this year in opening their "Village of Hope" campus, located at 129 W. Cone Avenue, just outside the Merced city limit boundary. Phase I of the new campus opened for residents on Friday, March 4, 2022, and provided buildings with residential units for MRM's Hope Respite Care, Hope for Veterans, and Hope for Families programs. A future Phase II, which will be the faith-based side of the campus, will provide a building for the Hope for Men and Women program and space for a computer lab, classrooms, a chapel, and offices.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The County-wide Continuum of Care's homeless prevention strategy was implemented to help identify specific risk factors based on fact-finding with general assistance, mainstream, and prevention assistance providers that include loss of income, history of residential instability, sudden death or illness, utility shutoffs, etc.

A strategic step of the prevention strategy focuses on shelter diversion by stabilizing the households in current housing or by temporarily sharing housing with other family members or friends until the household is ready to obtain and maintain permanent housing.

Steps also include links to temporary or ongoing support and case management, if needed. Temporary support may include one-time or short-term rental and/or utility assistance and participation in employment services. Ongoing supports may include mainstream resources and job training. Case management, if desired by the household, may be short-term.

The overall goal of the homeless prevention strategy is to stabilize the household and prepare a plan if another housing crisis occurs.

In addition, the Merced County Rescue Mission operates a Respite Care program that focuses on helping homeless persons discharged from local hospital and healthcare facilities. The Respite Care program offers such persons a safe and supportive environment, as well as meals and oversight of medical

treatment, while helping them explore long-term housing options through case management.

In 2019, the City funded LifeLine Community Development Corp.'s "Empower Loughborough Community" program. Though it got a late start in implementation due to the pandemic-related delays and having to re-invent its methods of interacting with residents of the Loughborough area community because of social distancing, the program continued to be implemented over the last two years and applied for and implemented its 2021 program to build and expand the program to other nearby apartment complex communities nearby. The program focuses on residents living in Census Tract 10.03, a Qualified Census Tract that has a large percentage of low-income families and higher crime, by providing them with job skills, mentorship, personal finance training, and childcare, that will eventually enable them to lift themselves out of systemic poverty.

While categorized as a Neighborhood Cleanup activity, Restore Merced's "Restore Jobs" transitional employment program initially got its start from 2018 and 2019 CDBG funds, providing homeless or formerly incarcerated men with jobs, mentorship, and case management during their work in cleaning up certain LMI Census Tracts in the City, removing over 60 tons of trash and bulky debris within the 2019 program year alone. Beginning at the end of the 2019 program year, the City began contracting independently with Restore Merced using its Solid Waste Enterprise Funds through its Public Works Department to maintain its downtown and creek areas, enabling the organization to continue employing these individuals. Since its inception, Restore Merced has consistently seen its former employees successfully progress to mainstream jobs and positive lives.

The City also supports the existing transitional shelter programs by the Alliance for Community Transformations (ACT) and by Symple Equazion. The City continues to work with these organizations, as both have applied for and were awarded 2021 CDBG funding. Both programs will continue into the 2022 program year.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

By supporting the Merced City and County Continuum of Care, helping homeless persons includes:

- Focusing more intensely on chronically homeless individuals and families through street outreach, and engagement into areas and encampments where chronically homeless persons are known to live;
- Engaging chronically homeless households through the Coordinated Entry System, to help link them to the appropriate permanent supportive housing provider and level of supportive services;

- Increasing resources to provide bridge housing for chronically homeless households who need a short-term stay while awaiting permanent housing availability that includes low-barrier shelter and vouchered stays in motels;
- Connecting chronically homeless households to mainstream resources, including Medi-Cal and behavioral health services while awaiting PSH placement;
- Connecting chronically homeless households to community resources such as food, transportation, money management, housing counseling services, etc., to ensure they maintain their housing; and,
- Emphasizing a consumer-driven mindset that is choice-based.

The Coordinated Entry System (CES) plays a critical role in providing the right intervention for each homeless family to effectively house them within 30 days. CES helps families avoid entering shelters by offering assistance to help them remain in their housing or live with friends and families for a short period of time in order to gain time to move into permanent housing. If emergency shelter is needed, rapid rehousing assistance and supportive services are provided to help ensure a stay of no more than 30 days. Services are provided within a housing first and low-barrier environment. Assistance is flexible, so that families with lower barriers receive modest financial assistance and those with higher barriers receive moderate assistance.

The Continuum of Care has also developed more effective coordination between prevention efforts and mainstream benefits and programs.

Merced County Regional Homeless Plan

On June 17, 2019, the City Council provided staff direction on a conceptual Regional Homeless Plan that would bring coordination of jurisdictions County-wide to address concerns associated with homelessness and the homeless population. Since then, the Regional Homeless Plan has received nextstep approval by Merced County, but has been sidelined since then by the Coronavirus pandemic. The concept first began with State Assemblyman Adam Gray's ability to obtain funds for facility improvements in the County and grew from conceptual meetings between regional leaders to potential fruition of the concept, with CA Governor Gavin Newsom's willingness to support regional solutions for homelessness in the State budget. The County's conceptual plan also includes the County's Continuum of Care program and business owners within the County. The County Regional Homeless Plan includes a housing-first concept that increases low-barrier temporary and permanent housing under the following purposes and principles: 1) establish and enlist measurable objectives; 2) strategic and efficient use of State and Federal funds across jurisdictions; 3) create client-focused best practices that serve the individual, not just the program. Key objectives of the Plan include outreach and engagement and development and expansion of housing resources and opportunities (Housing First, Navigation Center, interim housing, permanent housing, and long-term supportive housing). System Support and Proposed Actions: 1) Identify and categorize all available funding for services across agencies; 2) Develop multiagency teams to engage individuals experiencing homelessness; 3) Develop a housing inventory or registry program to aid in expediting placements using vouchers; 4) Update the Coordinated Entry

System (CES) and Homeless Management Information System (HMIS) to enhance assessment tools and collect data more effectively; 5) Implement a Homeless Court aimed at addressing chronic cases; and, 6) Enhance case management efforts to achieve independence. Potential facilities within the City of Merced include: 1) Navigation Center to provide 96-192 beds and supportive services; and, 2) Enterprise Center to provide intervention services. Constructed and operated by the County of Merced, the estimated capital investment will be approximately \$5,735,000, with an estimated annual operating budget of \$2,500,000, and will result in an increase of approximately 92-192 beds within the city limits. Other facilities planned in nearby incorporated and unincorporated communities within the county will add another estimated 101-129 beds within the countywide region over time.

Homeless Court Program

In March of 2020, the Merced City Council approved a Homeless Court Memorandum of Understanding among the County of Merced District Attorney's Office, County of Merced Public Defender's Office, Public Defender Firm Ciummo and Associates, the Superior Court of California/Merced County, and the City of Merced to establish the Homeless Court Program (HCP), a collaborative court that will provide homeless and formerly homeless individuals an opportunity to resolve outstanding eligible pre- and post-judgement criminal cases and/or infractions, in the interest of promoting public and individual safety and self-sufficiency. The HCP will address the unique needs of the homeless population's legal challenges, which hinder an individual's ability to re-establish themselves into society. The HCP is designed to reward eligible individuals who have made significant progress in improving their situation through participation in a treatment program with access to additional community and court resources. Examples of eligible program service activities include behavior health and recovery services, employment or employment training services, individual counseling, chemical dependency meetings, or other like activity approved by the Homeless Court Coordinator. Eligible cases for the HCP include both infraction and misdemeanor traffic and criminal fines. The City Manager and City Attorney's Office staff provide staff support to the Homeless Court on behalf of the City of Merced, and until a more permanent option is identified, Merced County provides the coordinator duties by facilitating and implementing the administrative functions of the program.

Certification of Consistency with the Consolidated Plan

U.S. Department of Housing and Urban Development

I certify that the proposed activities/projects in the application are consistent with the jurisdiction's current, approved Consolidated Plan. (Type or clearly prin: the following information:)

Applicant Name:	Merced, County of
Project Name:	CA-520 Merced City and County Continuum of Care
Location of the Project:	City of Merced, County of Merced (See attached list)
Name of the Federal Program to which the applicant is applying:	FY 2022 Continuum of Care Homeless Assistance Program
Name of Certifying Jurisdiction:	City of Merced
Certifying Official of the Jurisdiction Name:	Stephanie Dietz
Title:	City Manager
Signature:	Stephanie Deitz

Certificate of Consistency - 2022 Merced City and County Continuum of Care

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Housing Authority of Merced County (HAMC) is the public housing agency serving those needs within the City of Merced. HAMC is independent of the City of Merced, and the City retains no control or decision-making over its funding, voucher programs, or implementation of programs. HAMC owns multiple public housing properties in Merced. The City does not own any public housing.

The City of Merced continues to work closely with non-profit organizations who, in association, work closely with HAMC to provide assistance to low-income families in the development of housing projects in Merced. In this connection, the City and HAMC each strive to address the public housing needs of the community. The Housing Authority provides and manages the Housing Choice Voucher program, formerly known as Section 8. As of the 2022-2023 PHA Plan fiscal year, the waiting list for this program is 2,379 families countywide. Of that number, 1,195 are families with children.

On January 10, 2022, the Authority selected 1,200 applicants from the previous existing waiting list (previously over 3,556 families) for housing. However, due to the lack of available units and the community's low vacancy rate, many of these families still experience difficulty finding and securing housing.

The success of the HAMC assistance within the City of Merced continues to hinge on the shortage of available units, and the lack of affordable, decent housing is a major issue in Merced County as a whole. Developing enough affordable housing in the jurisdiction to meet the need is a huge challenge for stakeholders seeking to improve the quality of life for a large sector of our population.

The newly completed Childs and B Affordable Housing Project will use HAMC-issued vouchers, and the City is in discussions with other affordable housing developers to partner with in creating more affordable rental units within the next two to five years, at minimum, with voucher assistance from HAMC.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority of Merced County (HAMC) encourages residents to participate in policy, procedure, and program implementation and development through its Board, particularly focusing on self-sufficiency and enhancing the quality of one's own life. HAMC connects residents and participants to services, activities, and other organizations that promote that vision. There are community and network center partnerships for residents to utilize, including public computer centers. On the HAMC website, residents can locate relevant services and service providers in dedicated resident and resident services sections. Additionally, HAMC distributes information via webpage and mail-outs to participants about the status of its programs and residents for current and future participants, relevant news, information on training and employment opportunities, and other community resources available. Public housing

residents also participate in the development of the HAMC five-year and annual plans. The HAMC distributes a survey to prioritize residents' needs and schedule short- and long-term improvements.

Actions taken to provide assistance to troubled PHAs

The Housing Authority of Merced County (HAMC) is not designated as "troubled."

CAPER 38

form HUD-50077-SL (3/31/2024)

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

City of Merced Housing staff continues to move forward to meet the daily challenges and has worked to educate sub-grantees, identify challenged areas, establish community partnerships, and improve upon outdated processes to create an efficient, effective program.

It can be difficult for very low to moderate-income first-time homebuyers to acquire enough savings to pay for down payment and other costs. To address this problem, the Housing Program continues to service existing First Time Homebuyer Program (FTHB), a special low-interest, deferred-payment loans funded by the HOME program, Neighborhood Stabilization Program (NSP), and previous-year CalHome funds.

After two years of previous application attempts with no award, the City successfully applied for (November 2021) and was awarded \$2.5 million of new 2021 CalHome Program funding from the State of California Housing and Community Development (HCD) on April 19, 2022. This amount will be split towards the following activities and amounts: 1) homeowner occupied rehabilitation - \$1,375,000; and 2) first time homebuyer for mortgage assistance - \$1,125,000. The City learned from previous failed applications and, this year, enlisted the partnership of Self-Help Enterprises for their expertise in both applying for and managing the programs post-award, in order to score more points towards a successful award. We expect to have the program on-line and assisting Merced residents by late fall of 2022, after HCD's final execution of a Standard Agreement and after a Subrecipient Agreement with Self-Help Enterprises using the City's 2022 CDBG administrative funds is fully executed. Since 2017, we have maintained a waiting list of potential applicants who we have determined to be preliminarily incomequalified and Self-Help Enterprises will contact these residents in listed order when they are ready to begin the program.

Additionally, we still expect to be able to fund a handful of new loans during the 2022-2023 program year from a small pool of program income that has accumulated over time from payments received on existing loans that we continue to administer.

In February 2020, the City received a \$310,000 State award of SB2 Planning Grant Program funds that will fund planning activities directed at accelerating the production of new housing units in the City. Our application to the State proposed to direct these funds towards several activities, including updating the Accessory Dwelling Units (ADU) Ordinance, developing off-the-shelf ADU plans to streamline permitting processes, and development of the SB2 20-year Plan to strategize use of future SB2 annual allocations towards activities that reduce the cost and policy barriers for residents. This work is ongoing.

In June 2021, the City received an award of \$300,000 by the CA HCD Local Early Action Planning Grants Program (LEAP) that will assist us in examining and updating ordinances and policies that may have historically and unintentionally served to limit the development of affordable housing. This work also continues to make progress.

For the upcoming 2022 program year, the City will restart its Homeowner Rehabilitation program with Habitat for Humanity, Stanislaus County to benefit low-income homeowners. These homeowners, while able to pay their mortgages and taxes, are not able to afford large or even small-scale repairs to maintain the home itself over time. The program removes the financial barriers of those repairs by providing a low-interest loan that is forgivable after 15 years of continued owner occupancy.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The 2021 Annual Action Plan identified the lack of funding resources that fully address all the needs of target-income residents as one of the primary obstacles in meeting underserved needs. One way to combat this is to encourage programs that produce the most widespread benefit, and another is to partner with other agencies and non-profit organizations to pool resources that attain the same or similar goals. Another identified obstacle is the location of services for those that need access to them.

The City of Merced Housing Division has partnered with the Merced County Human Services Agency as Collaborative Applicant to develop and implement the Continuum of Care program within the City of Merced and County of Merced jurisdictional lines. Almost two-thirds of Merced County's homeless reside within the city limits. Through the Annual Plan, the City of Merced continues to provide CDBG administrative funds to support staff costs of the Merced County Human Services Agency's Collaborative Applicant role. Several positive activities spearheaded by the Continuum of Care can be found throughout this document and past year's performance reports.

In 2011, the City and County of Merced took a lead role in providing resources to the homeless in Merced and the County outlying areas and smaller communities by adopting the 10-Year Strategy to End Homelessness. The plan discussed the extent of homelessness in Merced County, recommended best practices, identified potential local resources, described solutions, and ultimately rendered area organizations eligible for federal Continuum of Care grant funding. Additionally, the City intends to support and complement the goals of a County of Merced Community Regional Homeless Plan (still in draft form) by striving to fund any of the following activities each year through public services and housing provider partnerships, as funding availability, non-profit organization capacity, and community need allows:

- Rental and utility assistance/homeless prevention
- Security deposit assistance/support for rapid re-housing programs
- Owner occupied rehabilitation
- Housing navigation services
- Homeless program operating cost support

- Health services
- Mental health services
- Legal aid services to homeless and low-income persons
- Services for victims of domestic violence
- Permanent supportive housing
- Employment training
- Programs to address barriers to employment, such as self-sufficiency skills and personal finance education
- Childcare services, including parenting skills classes
- Food bank operating costs
- Construction of affordable housing units
- Provide "set-aside" units within housing projects for homeless and special needs
- Fair housing services

As the Housing Division does not have the staff capacity to provide these services, the City relies heavily on existing and new non-profit organizations as subrecipients to carry out these activities.

In Spring of 2021, the City accepted funding requests from nine (9) public service and other programs that proposed activities that included rental and utility assistance, special needs groups assistance, food distribution services, and work readiness training. The requests totaled less than the City's 15% public service cap, and the City approved all of those requests. This year's programs helped to address some of the activities identified above.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

Since a majority of housing units in the City of Merced were built before 1978, the City requires lead-paint testing for all acquisition and rehabilitation projects. If lead-based paint is detected within the project area, the Housing Division requires that the problem is abated prior to the final reimbursement, closeout of the project, and occupancy of the unit. As required by Federal and State funding sources, housing rehabilitation programs must comply with the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X) and subsequent changes made since its enactment.

As part of its procedures, the City requirements include:

- Notification of potential lead-based paint hazards
- Identification
- Treatment, if necessary

The City works with its Acquisition with Rehabilitation and Homeowner Occupied Rehab subrecipient partners to abate properties that are identified as potentially containing lead-based paint by requiring testing for every project. The practice of automatic testing for all relevant projects was fully implemented in the 2019 Annual Plan for all contracts and programs, no matter the age of the structure

involved.

This past year, Habitat for Humanity of Stanislaus County (HFHS) did not start any Lead-Based Paint abatement projects for existing residential units in Merced, due to a HUD-required cease of the program related to deficiencies discovered in the environmental review procedures carried out for the project. For the upcoming 2022 program year, however, deficiencies corrected, the City will restart this program and the partnership with Habitat for Humanity to assist homeowners and abate properties of lead paint hazards.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City's anti-poverty strategy is based on funding and supporting a range of housing, employment, and family service opportunities aimed at enabling those in poverty to move into or increase their skills in the workforce. Also, the City, in cooperative efforts, continues to work with the Continuum of Care and its partnering cities and non-profit agencies to identify resources available to reduce the number of persons living below the poverty level and address the needs of the community.

We continue to encourage job and life skills training and the provision of connections to employment agencies, and for the 2021-2022 program year, the City awarded funding to three programs that propose to provide these elements (Lifeline CDC, Alliance for Community Transformations, and Symple Equazion). Because of the accumulated delays since the 2020 program year, not all contracts for these programs were in place by the end of the 2021 program year, though the organizations implemented the programs themselves. We will process reimbursements for eligible expenses as these contracts are fully executed.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City continues to support and encourage an institution-wide - even inter-agency - cooperation and partnership with developers, non-profit organizations, and other organizations through the provision of financial and/or technical assistance in working towards the shared goal of providing affordable housing opportunities to extremely low-, very-low, low- and moderate-income households. As we continue these relationships, we are constantly evaluating and striving to improve on their effectiveness in addressing the community's housing issues. The City continues to find ways to provide support by way of multi-agency partnerships, technical assistance, funding support, expedited permit processing, fee deferrals, land write-downs, and incentives and concessions that meet or exceed State density bonus law as appropriate.

The City's partnership with The Richman Group and Central Valley Coalition for Affordable Housing to fund, entitle, design, permit, and build a 119-unit 25% permanent supportive affordable housing complex located at the northwest corner of Childs Avenue and B Street in the City saw the successful final completion of construction for the project between May – July of 2022, after breaking ground in January of 2021.

In October 2021, nearly two years after HUD's January 2020 environmental monitoring found deficiencies in environmental review of selected projects, the City received final HUD decision on issuance of an Authority to Use Grant Funds for Gateway Terrace II, a 50-unit 20% permanent supportive affordable housing complex that is intended to house 10 of the City's homeless veterans. As a result, the project may not use any of the City's CDBG or HOME and must repay pre-development expenses that had already been reimbursed to the developer. The City is in the process of switching funding to local funds (Housing Successor Agency's LMI Asset Funds) and preparing to repay HUD with this local funding source. HUD is also requiring repayment of funds for three other projects with local funds.

The City believes this setback strengthens our resolve to be diligent and thorough in our approach to working with developers, monitoring the progress of projects at all stages, and remaining compliant with all HUD rules, laws, and authorities. The City is currently updating its environmental, monitoring, and other policies and procedures to reflect HUD requirements.

The Housing Division also continues to work with the all City departments, particularly Code Enforcement, Police/Fire, and Building, to identify substandard housing and encourage the owners to contact the Housing Division. If the homeowner is living in a non-compliant residence, Housing staff will contact Habitat for Humanity to see if the homeowner is eligible for the Homeowner Rehabilitation Program. If the property owner is not living on-site and would like to sell the substandard unit, we assist the property owner in connecting with a local non-profit organization to purchase and rehabilitate the unit, thereby transforming the unit from market rate to affordable, permanent supportive housing. Whether by homeowner rehab or acquisition and rehab, these measures to identify and improve these units in this way also improves and stabilizes the neighborhoods in which they are located and improves the lives of the residents in them.

Lastly, the City continues to encourage the creation of housing units for households earning 30% or less of Median Family Income, with emphasis on housing for families, single-occupant units, transitional facilities, and housing units serving temporary needs.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City continues to hold community meetings to enhance coordination between housing providers, government agencies, and other key stakeholders in the City and County.

We have also continued to participate in and fund the Continuum of Care (CoC), joining other governmental agencies, service providers, and community member in sharing information on existing programs, identifying areas for improvement in the coordination of services, and exchanging knowledge of best practices to better understand and address the community's needs as a whole. The Continuum of Care holds quarterly board meetings to provide a platform for agencies to coordinate services and exchange information. Board Members of the Continuum of Care include public housing authorities,

service providers, community stakeholders, and people who have experienced homelessness themselves. These meetings are held to address unmet needs and ensure that resources are leveraged and not duplicated.

The Merced County Human Services Agency became the Collaborative Applicant in 2017 and still oversees the CoC. A staff member is designated to serve on the Board as a liaison between the department and homeless clients/service providers experiencing barriers in receiving assistance. The County has had a significant presence in the Project Homeless Connect events held each year pre-COVID-19. At these events, the needs of at-risk individuals and people experiencing homelessness were assessed on-the-spot to get them connected to services immediately. These linkages increased the community's efforts to avoid discharge into homelessness, as well as to serve the existing homeless population. It is our hope that these beneficial events will resume.

In addition to the actions listed above, the City will continue to enhance coordination and work with the Housing Authority of Merced County, housing and service providers, and faith-based organizations to identify services, housing, and other needs. Also, besides the Merced Rescue Mission and Sierra Saving Grace with their City-funded acquisition programs, other public agencies that we will continue to collaborate with include the Central Valley Coalition for Affordable Housing and Habitat for Humanity Stanislaus. These and other such relationships are extremely important in providing safe, affordable housing to residents in need.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Insufficient supply of affordable rental housing:

The City of Merced has identified the provision of affordable housing as a priority in the City's Housing Element, as well as the Analysis of Impediments to Fair Housing Choice, and it is a need expressed continually by the residents of our community. The City continually works to be able to provide these crucial housing units.

While the City is not a direct provider of affordable housing, it does assist developers and non-profit organizations with affordable housing funding. In 2018, the City of Merced entered into partnership agreements with affordable housing developer The Richman Group, LLC, Central Valley Coalition for Affordable Housing, and Merced County, to seek funding for, entitle, design, permit, and construct a new 119-unit permanent supportive (30 units) and affordable housing (89 units) apartment complex. With the exceptional boosts of a June 2019 award of \$13.9 million from the State of California's Strategic Growth Council, and the February 2020 award of \$27 million in State Tax Credits, the apartment complex broke ground in January 2021 and completed construction on all buildings between May-July 2022.

With the large amount of CDBG, HOME, and LMI Asset Funds received from the Grove Apartments

payoff in January 2021, the City has these additional funds that can be used to further alleviate the impediments to housing choice that the affordable housing crisis continues to present. The City has been in discussions with several affordable housing providers after publishing an RFQ (Request for Qualifications) in April 2021 to begin recruiting suitable partners with which to collaborate with.

Including 2021, each year the City pursues acquisition and rehabilitation of existing affordable rental units in collaboration with non-profit organizations and leverages other City monies to assist with financing new construction.

Since Fall 2020, the City has hosted multiple virtual and in-person meetings to discuss potential changes to current ordinances and policies that may be unintentionally causing barriers to housing construction and affordability. As a result, staff and City Council has proactively looked for ways to increase the number of affordable units, whether by creating workable, custom-fit policies unique to Merced, by seeking funding opportunities and creative subsidy layering strategies, or a combination of all. In April of 2022, the City Council adopted Resolution 2022-15 approving a Regional Housing Needs Allocation Unit Production Plan, intent on developing an interim mechanism for an accountability process requiring the production of affordable units as part of new market rate developments. The plan is tailored to Merced's desire to maintain a balance between the number of units needed and the profit margin needs of the builders themselves.

<u>Unfair Lending Practices</u>:

While we were not able to implement homebuyer education classes in 2020 or 2021, this remains a goal for future Annual Plan funding. These classes will give residents the knowledge they need to help them recognize any unfair lending practices in their future home purchase transactions.

Continual - Fair Housing Education Efforts

Project Sentinel's fair housing program served 18 residents through the eight case investigations that were performed, 102 residents through information and referral calls, and a total of 100 residents (20 households) through their Tenant-Landlord Department by providing counseling on rental rights and responsibilities. Additional residents were reached through distribution of over 5,000 brochures that provided fair housing information at events such as community fairs, schools, and through other community organizations. In total, Project Sentinel directly served 220 people through their Merced Fair Housing program during the 2021-22 reporting period. In June of 2020, as part of Housing staff and TDA Consulting, Inc.'s work on the 2020-2024 Consolidated Plan and 2020 Update to the Analysis of Impediments for Fair Housing Choice, Housing staff met with Project Sentinel via conference call to discuss the housing complaints that Project Sentinel receives in serving the tenants, landlords, and other individuals living in Merced, and how we can address the fair housing impediments stated by residents who participated in the online Needs Assessment Survey conducted February-March of 2020. As the survey revealed that a large percentage of residents did not know their housing rights and laws, it was agreed that an aggressive focus on outreach and fair housing rights education was needed. City Housing

staff is committed to furthering those efforts throughout the remainder of this Consolidated Plan period. As part of that effort, the City of Merced has set up a Fair Housing Resources and Services webpage on its website, providing multi-language downloadable resources to immigrants, families with children, and veterans, among others, and provides the website and direct contact information for Project Sentinel, to better connect residents who need assistance and counseling to our fair housing partner.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The arrival, resurgence, and continuance of the Coronavirus pandemic to our area beginning in March of 2020 and lingering onward has presented an enormous hurdle for our staff, in addition to staffing constraints. As a result, we were unable to perform on-site monitoring of our public service projects through site checks or office visits, but we continued to communicate with each subrecipient by email, online meetings, and telephone calls to make sure they were able to continue with their programs as much as possible under the circumstances. Loan servicing has continued in-house, even while the Housing Division remained short one staff person for most of the 2021 program year. There were no problems that needed mitigation as a result of these adjusted monitoring efforts.

Monitoring remains an area that our division can improve upon, especially with new subrecipients and as new Housing staff comes on board and increases their knowledge of programs and procedures.

Multi-Family Housing Program Monitoring

City Housing staff normally conducts site visits and audits annually to multi-family housing subrecipients to review record keeping, upkeep of facility, and ensure that eligibility requirements are being maintained. If discrepancies are found, the subrecipient will be informed during the on-site visit, provided a formal letter, and provided 30-days to correct any findings and/or work with staff for a reasonable timeline in achieving compliance for those items. Once compliance has been achieved, the sub-recipient receives a clearance letter from the City. The City Council is informed of any unresolved problems during the budget process. These same procedures will be followed with non-housing sub-recipients. Before each monitoring, the City allows each subrecipient reasonable time to prepare for the monitoring and understand requirements.

Single-Family Housing Program Monitoring

Normally, homes rehabilitated or purchased with CDBG or HOME funds for use as rental properties for moderate to low-income families are monitored annually by staff. The owner is provided a letter requesting information and income verification of the renter. Given a small staff, City of Merced Housing visitations to all sites is not feasible; instead, staff ensures that a minimum of one or two sites per owner is visited. If discrepancies are found, the subrecipient and/or on-site manager will be informed during the on-site tour, provided a formal letter, and provided 30-days to correct the problem; and/or work with staff for a reasonable timeline.

Public Service/Other Activity Monitoring

The City Housing Division has established monitoring procedures for its subrecipients to ensure compliance with all CDBG and HOME requirements and objectives. Those procedures include written contracts and invoicing before funds are distributed; workshops with applicants and new sub-recipients to ensure an understanding of reporting requirements; clear timelines for measured success; reporting forms that include hours, task, client demographic information, and income range; and, clear provision of information on HUD's cost and other principles. Reports are required with each invoice, and year-end evaluations are required. All sub-recipients normally receive one on-site visit during the program year.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Staff made a concerted effort to reach out to the community for comments and input about the CAPER for fiscal year 2021-22. The public was notified of the CAPER's availability through notifications in two newspapers, website postings, at a public meeting, and the City Council approval meeting.

The availability of the FY 2021-22 CAPER for public review and a request for comments was publicly noticed in the following ways:

- August 4, 2022 Notices were posted at the Merced Civic Center and on the City Clerk and Housing Division Public Notices webpages.
- August 4, 2022 A Public Notice was published in the Merced Sun-Star daily and online newspaper.
- August 4, 2022 A Public Notice was published in the Merced County Times weekly and online newspaper.
- August 9, 2022 A Public Meeting to solicit public input was held in the Sam Pipes Meeting Room, 1st Floor City Hall, from 5:30-6:30 p.m.
- August 22 to September 6, 2022 A 15-day Public Review and Comment Period was held; Draft CAPER posted on City website and available for viewing in the Housing Division office.
- September 19, 2022 Public Meeting at City Hall to request Council action to approve the CAPER.

During the program year, no Substantial Amendments were needed. Technical Amendments during the year were as follows:

 Harvest Time – redirect \$20,000 of project funding from construction of mezzanine storage within the existing warehouse to the increase of purchase and installation costs of the cold storage units. No change to Activity or Project total.

- Alliance for Community Transformations using available 2021-22 program income and public service funding from another approved homeless project that did not move forward (Homeless Encampment Maintenance), increase the 2021-22 project funding by \$10,800 (new total of \$44,280), to compensate for the loss of 2020 funding due to Coronavirus delays. No change to public service funding cap or intended beneficiaries (homeless).
- City and County Continuum of Care Collaborative Applicant using 2021-22 Indirect
 Administration Cost funds that were not used during the program year, increase the 2021 CoC
 Collaborative Applicant agreement by \$38,000 of CDBG funds (new total of \$76,000), to
 compensate for the loss of 2020 administrative funding due to Coronavirus delays. No change to
 administrative totals within the 20% CDBG Admin cap.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

Priorities identified in the 2021 Annual Action Plan were implemented and remained unchanged through the program year.

The City takes a proactive approach and continually evaluates programs, projects, and activities to ensure they are meeting targeted goals, as well as keeping in line with current levels of funding. As a result of our experience, difficult and strategic recommendations are made to City Council. For example, when funding is not moving quickly, an alternate priority-need project or program is recommended. Council gives the City Manager the authority to redirect funds based upon certain criteria or timelines. CDBG timeliness expenditure ratios are monitored each month, as are HOME commitment and expenditure deadlines. Staff also directs funding toward core programs established during previous years and identified within the 2020-2024 Consolidated Plan.

The City of Merced continues to use CDBG funds toward eligible housing projects, projects that increase and support the suitable living environment of residents, ADA improvements and new or replacement public infrastructure, and social services. The reallocation of funding occurs throughout the year for both CDBG and HOME, and staff reviews and meets with project managers on a regular basis.

The City's Citizen Participation Plan (CPP) allows minor and technical amendments to be reviewed and authorized by the City Manager. Substantial amendments are defined by the CPP as a change that affects more than 75% of the allocation of funding in any project and/or the total distribution. Substantial amendments require public notices be published in local newspapers and a 30-day public review and comment period. No public hearing is required by the CPP, but the City encourages resident's participation in all phases, including at City Council meetings.

In April of 2020, coinciding with Council allocation of First-Round CARES Act CDBG-CV funding, the City amended its Citizen Participation Plan to include procedures and flexibilities for citizen participation and comment during times of Federal or other disaster emergency declarations. No changes to the Citizen Participation Plan were necessary during the 2021 program year.

The Goals and Objectives established in the 2020-2024 Consolidated Plan and 2021 Annual Action Plan did not change during the 2021 program year.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

The arrival and continuing stay since of the Coronavirus pandemic to our area in February and March of 2020 has presented an enormous hurdle for our staff with regards to monitoring of all our programs, especially the ability to safely perform on-site visits between City staff, site managers, and residents of the units.

Staff is in continual contact with subrecipients that manage these developments, and as a result of those communications, we are confident that there are no problems that would cause non-compliance with housing codes or other applicable regulations.

With the local effect of the pandemic easing and leveling and a full staff of three, the Housing Division will resume on-site monitoring during the upcoming 2022 program year.

Multi-Family Housing Program Monitoring

City Housing staff normally conducts site visits annually to multi-family housing sub-recipients to review record keeping, the upkeep of facility, and to ensure eligibility requirements are being maintained. A City inspector is part of this tour, and if discrepancies are found, the subrecipient is informed during the on-site tour, provided a formal letter, and provided 30-days to correct the finding and/or work with staff for a reasonable timeline.

Annual audits are required by these sub-recipients for their programs. If discrepancies in this area are found, the sub-recipient is informed immediately, and a formal letter is mailed. The sub-recipient is given 30 days to correct the problem or provide a timeline for correction. The City will work with the organization to ensure the requirements are understood and that compliance is re-attained. Once compliance has been achieved, the sub-recipient receives a clearance letter from the City. The City Council is informed of any unresolved problems during the budget process. These same procedures will be followed with non-housing sub-recipients.

Since October of 2020, the City has enlisted the services of RSG, Inc. for multi-family rental project monitoring, including monitoring for income-eligibility and tenant file inspections. RSG's services are professional, knowledgeable, and efficient, and the City intends to keep using their services for large-scale rental housing monitoring. Housing staff still participates in on-site monitoring for unit inspections.

Single-Family Housing Program Monitoring

Homes rehabilitated or purchased with HOME funds for use as rental properties for moderate- to low-income families are normally monitored annually by Housing staff. The owner is provided a letter requesting information and income verification of the renter.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

The City of Merced continues to follow the Affirmative Marketing Policy as outlined in the Consolidated Plan and monitors compliance with the Policy by the City and participating property owners on an annual basis.

The City of Merced Housing Division is responsible for implementing the Affirmative Marketing Policy and evaluating its effectiveness concurrently with the HOME Program:

- The Housing Division shall inform the public about the Affirmative Marketing Policy through handouts and application forms, periodic advertisements in general circulation newspapers, and regularly scheduled public meetings.
- The City shall, at times, display informational posters in the Merced City Hall Lobby, which is open to the public. All graphic presentations concerning the HOME Program shall display the HUD Equal Housing Opportunity logo or slogan.
- The owners of buildings selected for rehabilitation shall likewise be informed about the City's Affirmative Marketing Policy at the time that an application is submitted to the Housing Division.
- The City shall also provide tenants and rental property owners with copies of the "Landlord-Tenant Fact Sheet" produced by the State Department of Consumer Affairs.
- The City shall continue its practice of providing general information and telephone reference numbers to persons contacting the Housing Division with questions regarding affirmative marketing, federal fair housing, tenant's rights, assisted housing, and correction of substandard conditions in tenant-occupied dwellings.

This year, the City continued the services of the Fair Housing Services provider (Project Sentinel) for all Merced residents. Some of the services provided by Project Sentinel include seminars, educational pamphlets, and counselors to assist renters with any fair housing questions or problems.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

As mentioned elsewhere in this report, the City received a large loan payoff of HOME and Section 108 Loan Guarantee funds from The Grove Apartments in January 2021. The City used a \$2,400,000 portion of the \$3,877,751 of CDBG funds received in that transaction towards the Childs and B Street Affordable Housing Project via a Substantial Amendment process during the 2020-21 program year. The remaining

CDBG funds were allocated through the 2021 Annual Plan to several public improvement projects that did were unfortunately not able to be implemented during the 2021 program year, including one project that will be implemented during the upcoming 2022 program year (S. Canal Street and W. Childs Avenue project). These funds will carry over to 2022, and a portion will supplement the Canal and Childs street and sidewalk improvement project. The remaining CDBG funds will be used towards acquisition and rehabilitation of a small multi-family residential unit property.

Like 2021, the remaining HOME funds left from The Grove Apartments loan payoff will be used towards new affordable housing projects during the 2022 program year, as will the remaining LMI Asset Funds.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

The HOME program objectives continue with promoting, maintaining, and providing affordable housing by working with affordable housing developers and nonprofit organizations.

Staff continues to work with Habitat for Humanity Stanislaus to assist homeowners with rehabilitation of their properties; Sierra Saving Grace and Merced Rescue Mission with the acquisition of properties to increase the number of permanent supportive and affordable housing units within the community; and, Central Valley Coalition for Affordable Housing with development of larger multifamily residential projects as our CHDO partner.

Additionally, in April 2021, the City published an RFQ (Request for Qualifications) to recruit affordable housing developers as potential partners in expending the program income that was received as a part of The Grove Apartments loan payoff in January of 2021. The RFQ attracted several excellent affordable housing developers, whom we are in discussions with on several viable future and progressing projects in the City of Merced. Funds expected to be used for these future projects include HOME funds, as well as the potential for HOME-ARP, 2021 American Rescue Plan Act U.S. Treasury funds, and CA HCD Permanent Local Housing Allocation funds be used, as well.

In addition, in April through May 2021, an RFP (Request for Proposal) was published to enlist proposals from affordable housing providers for disposition of properties owned by the City as Housing Successor Agency to the former Redevelopment Agency. As a result, three developers – Fuller Center for Housing of Merced County, Linc Housing, and Certified Containers 915 – will receive transfer of ownership of these properties exclusively for development of affordable housing. Disposition of these properties is at varying stages with each of these developers.

Targeted Workers					
Outreach efforts to generate job applicants who are Other Funding					
Targeted Workers.					
Direct, on-the job training (including apprenticeships).					
Indirect training such as arranging for, contracting for, or paying tuition for, off-site training.					
Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).					
Outreach efforts to identify and secure bids from Section 3 business concerns.					
Technical assistance to help Section 3 business concerns understand and bid on contracts.					
Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns.					
Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities, connecting residents to job placement services.					
Held one or more job fairs.					
Provided or connected residents with supportive services that can provide direct services or referrals.					
Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clothing, uniforms, test fees, transportation.					
Assisted residents with finding child care.					
Assisted residents to apply for, or attend community college or a four year educational institution.					
Assisted residents to apply for, or attend vocational/technical training.					
Assisted residents to obtain financial literacy training and/or coaching.					
Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.					
Provided or connected residents with training on computer use or online technologies.					
Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses.					
Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.					

Table 15 - Qualitative Efforts - Number of Activities by Program

Narrative

As an entitlement jurisdiction that receives annual formula grants of CDBG and HOME and special allocations such the 2020 CARES Act Coronavirus CDBG (CDBG-CV) and the American Rescue Plan HOME (HOME-ARP) funding, the City of Merced is required to comply with Section 3 regulations.

The current benchmarks the City must meet are:

- 25 percent of all labor hours must be performed by a Section 3 worker; and,
- 5 percent of labor hours must be performed by Targeted Section 3 workers

For the 2021 program year, which is the first year of CAPER reporting required by the 2020 Final Rule, the City of Merced has surpassed the Section 3 Worker and Targeted Worker benchmarks, through construction and completion of the Neighborhood Facility at the Childs and B Street Affordable Housing project, with percentages of 28.7% and 25%, respectively. The Childs and B project was partially subsidized with public housing vouchers issued by the Merced County Housing Authority.

If the City had not been able to meet the above benchmarks in this or in any year, Qualitative Effort reporting using the above table would have been necessary. Section 3 requirements do not apply to public service projects, as they do not include housing rehab, construction, or other public construction above \$200,000. Therefore, public service projects would not be included on the table.

What is Section 3?

Section 3 is a provision of the Housing and Urban Development Act of 1968, since amended and expanded, for the purpose of ensuring that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of governmental assistance for housing and to business concerns which provide economic opportunities to low- and very low-income persons. The HUD Act of 1968 was enacted as a result of civil unrest in the 1960's, to which nationwide high unemployment was a contributing cause.

Training or employment opportunities resulting from public housing development or operating assistance including administration, management, clerical support, and construction, as well as those that arise in connection to a HUD-funded housing rehabilitation, housing construction, or other public construction project that exceeds \$200,000, are subject to compliance with Section 3. Additionally, contracting opportunities arising from public housing and other Section 3 projects are required to be given to business concerns that provide economic opportunities to low- and very-low persons.

A Final Rule to the Section 3 regulations took effect on November 30, 2020, and creates more effective incentives for employers to retain and invest in their targeted workers, streamline reporting by aligning them with typical business practices, provide for program-specific oversight, and clarify the obligations of entities covered by Section 3. This Final Rule requires certain benchmarks to be met, which are updated by the Secretary of HUD every three years.

CITY CLERK'S CERTIFICATE

I, STEPHANIE DIETZ, City Clerk of the City of Merced, California, do hereby certify that the attached document, entitled:

RESOLUTION 2022-59

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MERCED, CALIFORNIA, APPROVING THE 2021-2022 PROGRAM YEAR CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT

is a true and correct copy of the original on file in the Office of the Merced City Clerk, Merced, California.

DATED: September 19, 2022

STEPHANIE DIETZ, CITY CLERK

ALEJANDRA MEDINA

Deputy City Clerk

RESOLUTION NO. 2022- 59

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MERCED, CALIFORNIA, APPROVING THE 2021-2022 PROGRAM YEAR CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT

WHEREAS, the City of Merced operated the Community Development Block Grant Program (CDBG), and the Home Investment Partnerships Grant Program (HOME) for the 2021-2022 Program Year; and

WHEREAS, the City is required to submit a Consolidated Annual Performance and Evaluation Report (CAPER) to the U.S. Department of Housing and Urban Development (HUD) for the activities and expenditures for the 2021-2022 Program Year; and

WHEREAS, the City must also certify that it is complying with HUD requirements for the use of CDBG and HOME funds; and

WHEREAS, the City spent approximately \$3,765,965 in CDBG, CDBG-CV, and HOME funds during the 2021-2022 Program Year; 100% of the funds were used to assist households with incomes at or below 120% of median income; and,

WHEREAS, the City Manager is the certifying officer for all HUD reports and transactions.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MERCED DOES HEREBY RESOLVE, DETERMINE, FIND, AND ORDER AS FOLLOWS:

SECTION 1. The City Council of the City of Merced hereby approves the attached 2021-2022 Program Year Consolidated Annual Performance and Evaluation Report (CAPER), and authorizes the City Manager to direct staff to submit the same to HUD on behalf of the City of Merced.

Report returned no data.

3. Annual Performance and HOME Match Reports (40107, 40107-A)

Annual Performance Report HOME Program

Submit this form on or before December 31.

U.S. Department of Housing and Urban Development Office of Community Planning and Development OMB Approval No. 2506-0171 (exp. 8/31/2009)

Date Submitted (mm/dd/yyyy)

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

This form is intended to collect numeric data to be aggregated nationally as a complement to data collected through the Cash and Management Information (C/MI) System. Participants should enter the reporting period in the first block. The reporting period is October 1 to September 30. Instructions are included for each section if further explanation is needed.

This report is for period (mm/dd/yyyy)

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or spacer, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track per formance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine the HOME participant meets the HOME statutory income targeting and affordability equirements and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maint—ained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for en suring confidentiality when public disclosure is not required.

Instructions for the HOME Match Report

The HOME Match Report is part of the HOME APR and must be filled out by every participating jurisdiction that incurred a match liability. Match liability occurs when FY 1993 funds (or subsequent year funds) are drawn down from the U.S. Treasury for HOME projects. A Participating Jurisdiction (PJ) may start counting match contributions as of the beginning of Federal Fiscal Year 1993 (October 1, 1992). A jurisdiction not required to submit this report, either because it did not incur any match or because it had a full match reduction, may submit a HOME Match Report if it wishes. The match would count as excess match that is carried over to subsequent years. The match reported on this form must have been contributed during the reporting period (between October 1 and September 30).

Timing:

This form is to be submitted as part of the HOME APR on or before December 31. The original is sent to the HUD Field Office. One copy is sent to the

Office of Affordable Housing Programs, CGHF Room 7176, HUD, 451 7th Street, S.W. Washington, D.C. 20410.

The participating jurisdiction also keeps a copy.

Instructions for Part II:

- 1. Excess match from prior Federal fiscal year: Excess match carried over from prior Federal fiscal year.
- 2. Match contributed during current Federal fiscal year: The total amount of match contributions for all projects listed under Part III in column 9 for the Federal fiscal year.

- year: The sum of excess match carried over from the prior Federal fiscal year (Part II. line 1) and the total match contribution for the current Federal fiscal year (Part II, line 2). This sum is the total match available for the Federal fiscal year.
 - Match liability for current Federal fiscal year: The amount of match liability is available from HUD and is provided periodically to PJs. The match must be provided in the current year. The amount of match that must be provided is based on the amount of HOME funds drawn from the U.S. Treasury for HOME projects. The amount of match required equals 25% of the amount drawn down for HOME projects during the Federal fiscal year. Excess match may be carried over and used to meet match liability for subsequent years (see Part II line 5). Funds drawn down for administrative costs, CHDO operating expenses, and CHDO capacity building do not have to be matched. Funds drawn down for CHDO seed money and/or technical assistance loans do not have to be matched if the project does not go forward. A jurisdiction is allowed to get a partial reduction (50%) of match if it meets one of two statutory distress criteria, indicating "fiscal distress." or else a full reduction (100%) of match if it meets both criteria, indicating "severe fiscal distress." The two criteria are poverty rate (must be equal to or greater than 125% of the average national family poverty rate to qualify for a reduction) and per capita income (must be less than 75% of the national average per capita income to qualify for a reduction). addition, a jurisdiction can get a full reduction if it is declared a disaster area under the Robert T. Stafford Disaster Relief and Emergency Act.

3. Total match available for current Federal fiscal 5. Excess match carried over to next Federal fiscal year: The total match available for the current Federal fiscal year (Part II. line 3) minus the match liability for the current Federal fiscal year (Part II, line 4). Excess match may be carried over and applied to future HOME project match liability.

Instructions for Part III:

Project No. or Other ID: "Project number" is assigned by the C/MI System when the PJ makes a project setup call. These projects involve at least some Treasury funds. If the HOME project does not involve Treasury funds, it must be identified with "other ID" as follows: the fiscal year (last two digits only), followed by a number (starting from "01" for the first non-Treasury-funded project of the fiscal year), and then at least one of the following abbreviations: "SF" for project using shortfall funds, "PI" for projects using program income, and "NON" for non-HOME-assisted affordable housing. Example: 93.01.SF, 93.02.PI, 93.03.NON, etc.

Shortfall funds are non-HOME funds used to make up the difference between the participation threshold and the amount of HOME funds allocated to the PJ; the participation threshold requirement applies only in the PJ's first year of eligibility. [§92.102]

Program income (also called "repayment income") is any return on the investment of HOME funds. This income must be deposited in the jurisdiction's HOME account to be used for HOME projects. [§92.503(b)]

page 3 of 4 pages form HUD-40107-A (12/94) Non-HOME-assisted affordable housing is investment in housing not assisted by HOME funds that would qualify as "affordable housing" under the HOME Program definitions. "NON" funds must be contributed to a specific project; it is not sufficient to make a contribution to an entity engaged in developing affordable housing. [§92.219(b)]

- Date of Contribution: Enter the date of contribution. Multiple entries may be made on a single line as long as the contributions were made during the current fiscal year. In such cases, if the contributions were made at different dates during the year, enter the date of the last contribution.
- Cash: Cash contributions from non-Federal resources. This means the funds are contributed permanently to the HOME Program regardless of the form of investment the jurisdiction provides to a project. Therefore all repayment, interest, or other return on investment of the con-tribution must be deposited in the PJ's HOME account to be used for HOME projects. The PJ, non-Federal public entities (State/local governments), private entities, and individuals can make contributions. The grant equivalent of a below-market interest rate loan to the project is eligible when the loan is not repayable to the PJ's HOME account, [§92,220(a)(1)] In addition, a cash contribution can count as match if it is used for eligible costs defined under §92.206 (except administrative costs and CHDO operating expenses) or under §92.209, or for the following non-eligible costs: the value of non-Federal funds used to remove and relocate ECHO units to accommodate eligible tenants, a project reserve account for replacements, a project reserve account for unanticipated increases in operating costs, operating subsidies, or costs relating to the portion of a mixed-income or mixed-use project not related to the affordable housing units.
- 4. Foregone Taxes, Fees, Charges: Taxes, fees, and charges that are normally and customarily charged but have been waived, foregone, or deferred in a manner that achieves affordability of the HOME-assisted housing. This includes State tax credits for low-income housing development. The amount of real estate taxes may be based on the

- post-improvement property value. For those taxes, fees, or charges given for future years, the value is the present discounted cash value, [§92.220(a)(2)]
- Appraised Land/Real Property: The appraised value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of land or other real property, not acquired with Federal resources. The appraisal must be made by an independent, certified appraiser. [§92.220(a)(3)]
- Required Infrastructure: The cost of investment, not made with Federal resources, in on-site and off-site infrastructure directly required for HOME-assisted affordable housing. The infrastructure must have been completed no earlier than 12 months before HOME funds were committed. [§92.220(a)(4)]
- Site preparation, Construction materials, Donated labor: The reasonable value of any site-preparation and construction materials, not acquired with Federal resources, and any donated or voluntary labor (see §92.354(b)) in connection with the site-preparation for, or construction or rehabilitation of, affordable housing. The value of site-preparation and construction materials is determined in accordance with the PJ's cost estimate procedures. The value of donated or voluntary labor is determined by a single rate ("labor rate") to be published annually in the Notice Of Funding Availability (NOFA) for the HOME Program. [§92.220(6)]
- 8. Bond Financing: Multifamily and single-family project bond financing must be validly issued by a State or local government (or an agency, instrumentality, or political subdivision thereof). 50% of a loan from bond proceeds made to a multifamily affordable housing project owner can count as match. 25% of a loan from bond proceeds made to a single-family affordable housing project owner can count as match. Loans from all bond proceeds, including excess bond match from prior years, may not exceed 25% of a P's total annual match contribution. [§92.220(a)(5)] The amount in excess of the 25% cap for bonds may carry over, and the excess will count as part of the statutory limit of up to 25% per year. Requirements regarding

- bond financing as an eligible source of match will be available upon publication of the implementing regulation early in FY 1994.
- Total Match: Total of items 3 through 8. This is the total match contribution for each project identified in item 1.

Ineligible forms of match include:

- Contributions made with or derived from Federal resources e.g. CDBG funds [§92.220(b)(1)]
- Interest rate subsidy attributable to the Federal taxexemption on financing or the value attributable to Federal tax credits [§92.220(b)(2)]
- Contributions from builders, contractors or investors, including owner equity, involved with HOME-assisted projects. [§92.220(b)(3)]
- Sweat equity [§92.220(b)(4)]
- Contributions from applicants/recipients of HOME assistance [§92.220(b)(5)]
- Fees/charges that are associated with the HOME Program only, rather than normally and customarily charged on all transactions or projects [§92.220(a)(2)]
- Administrative costs

Accomplishment Narrative # Benefitting 2017

Accomplishment Narrative
Development of 50 units of quality affordable housing. Project will replace the sewer & water mains serving the project site and nearby residents located within a disadvantage census tract. The apartment complex consists of 49 affordable units and 1 manager unit of new construction multi-family housing located on K Street between W. 12th & W. 13th Streets. The site has been graded and is ready for new construction. 100% of the units will be rent-restricted for qualified residents with incomes ranging from 50%-60% of the area median income for a 55-year affordability period. We are also anticipating more than 10 HUD-Veterans Affairs Supportive Housing (HUD-VASH) vouchers and 38 HUD Project Based Vouchers (PBVs)committed to the project. This activity has run into some unforeseen circumstances. We are looking forward to getting this project underway in the very near future. As a result of a January 2020 Environmental Monitoring, deficiencies were discovered in the environmental process for this project. Since the monitoring, the deficiencies have been rectified by the developer/City, and the City is awaiting final decision by the OEE board and a subsequent AUGF, which would then enable the project to move forward.

This project will target individuals and families at imminent risk of homelessness and those currently experiencing homelessness by providing one-time assistance in the form of arrears, rental or deposit assistance not to exceed \$1,000 per client. Due to the Covid-19 Pandemic and Shelter in Place orders that began in March of 2020, SSGHP was unable to outreach or assist as many personshouseholds as originally anticipated. However they did assist 14 households, 12 of the households evered comprised of Female Head of Households, 12 of these 12 households, 8 were led by single female mothers with dependent children. They also assisted 2 veterans and 1 Male Head of Household with dependent children. This Activity is expected to be completed in IDIS by 11/15/20. Waiting for final invoices to be processed and drawn in IDIS.

Owner-Occupied Single Family Housing Rehabilitation and Lead-Based Paint Testing/Abatement for approximately 5 homes. Due to COVID-19 this activity will continue FY 20/21. This activity funded the cost of owner-occupied single family housing rehabilitation for 1 household located at 2222 P Street. This rehabilitation included a new roof, ADA bathroom remodel, kitchen venting, weatherization, exterior door, outside stair rails, etc. The contract for the Brush with Kindness Program has expired and the remaining balance for the Brush with Kindness Program will be redirected to another CDBG approved activity. 2019

2019	Funding to administer and operate an Employment Training program primarily for residents in the general area within Merced City known as "the Loughborough Community" which has been known in the past to have higher rates of gang/crine activities, high-density apartment housing, and a higher rate of low-income individuals and households. Due to COVID-19 pandemic this project provided computers for online learning, job searches and online classes when necessary. They also ensured the community members had covid related resources and PPE to provide as much protection as possible. Lifeline also created partnerships with the local schools to prode distance learning assistance and school meal pick ups. Children were given access to computers to complete online learning and activity packages that contained books and outdoor activities to keep the children engaged. The adult community was able to use Lifeline's resources to obtain different certificates/licensing in order to further their career goals.

Benefitting 2020

Accomplishment Narrative

Acquisition and Rehabilitation of a duplex benefitting extremely low-income, low-income, and chronically homeless individuals and families. This property closed escrow on November 30, 2021. The property is currently vacant while additional repairs, garage conversion and ADA upgrades are being completed. As of 6/17/2022, the two units being rehabilitated are near completion and awaiting final permit approval. The subrecipient already has tenants lined up to occupy the units once permits are approved. Plans are still being drawn for the garage conversion. Project to continue into FY 22/23.

Description:

Food Bank - This program will fund the expansion of the existing food services provided to City residents by the Merced County Food Bank, to handle the increased operating and staffing costs they are experiencing in responding to the additional demands for food distribution as a result of the COVID-19 Coronavirus crisis and direct impact on residents' ability to afford food for their households.

As this program will serve LMI residents in need City-wide, and is located in Eligible Census Tract 10.05 within the City limits, the LMA National Objective will be met. Financing

Years Accomplishment Narrative # Benefitting

Nerced County Food Bank assisted all residents of the City of Merced who were in need of COVID related food supplements. CDBG-CV, provided the Merced County Food Bank (MCFB) with crucial funding during very turbulent times throughout the pandemic. Prior to the pandemic, MCFB served about 12,000 - 15,000 people per month through normal cibrubitoric channels and about 150-200 people per day who walked up to the food bank for direct emergency food assistance. By the end of 2021, those numbers increased to 15,000 - 19,000 per month, and over 1200 people a day on site. Without funding from CDBG-CV to hire additional staff and purchase more food, MCFB would not have been able to serve the additional demand for food resources and our community would have suffered significantly more throughout the grant period. During the grant period, MCFB provided an additional 3,000,000 pounds of food - which is a 55% increase year over year. Furthermore, we estimate that funding helped provide nearly 250,000 additional food distribution points through the same period.

Accompisament Narrative
The neighborhood facility for this project is a community center that is approximately 3.890 square feet and includes 700 square feet of common room, managers, and service providers offices, multi-purpose room, fitness room, mailboxes, restrooms, and laundry facilities. The adjacent central courtyard has a patio and barbeque area, swimming pool, and children's play areas, as well as other spaces for recreation and gardening. Residents will have access to these amenties and services to be provided. The surrounding community will also access services held in the community center and open space and play areas. Pool access to surrounding residents will not be provided. The community facility will provide a range of services to the project residents as well as households in the basic service area which are predominantly low and moderate income households.

Years Accomplishment Narrative

Due to the pandemic, Coffee Bandits was forced to close for an unforeseeable amount of time like other businesses around them. They managed to keep their entire staff by using their savings and other resources to fund their salaries. This decision did make them struggle financially. The funds they received from this program assisted them in retaining their staff of 4 FTE positions. Coffee Bandits works hard to provide an inclusive community space for all residents of Merced, and continue to do so through this funding.

PGM Year: 2021

Project: 0017 - HSG - CDBG Rehabilitation/Acquisition: Sierra Saving Grace Homeless Project (21/22)

IDIS Activity: 1175 - Sierra Saving Grace - Supportive Housing Project - Property Acquisition

Objective: Provide decent affordable housing Outcome: Availability/accessibility Location: 25 W 19th St Merced, CA 95340-4909

Matrix Code: Acquisition for Rehabilitation (14G) National Objective: LMH

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 04/20/2022

Description:

Sierra Saving Grace will be provided \$550,000 of CDBG funding to acquire at least 2 (two) residential units for subsequent rehabilitationrepair and conversion to affordablesupportive rental housing for formerly homeless individuals or families.

Amount includes no more than \$550,000 to acquire and rehab a property and up to \$50,000 (10%) for activity delivery costs.

The estimated cost of necessary rehab work will be included in the purchase price.

This project meets multiple needs and priorities of the Five-Year Consolidated Plan for vital housing services — permanent supportive housing (case management), addition of affordable housing units, and housing for homeless families.

SSG is currently in escrow to purchase a two-unit property at 505/507 E Alexander Ave. A pest inspection of the property has been completed and a scope of work for the rehabilitation has been determined. The appraisal has been completed and is still forthcoming from the subrecipient. City staff is currently in the process of completing the required NEPA environmental review for the acquisition and rehab/repair activities and will be completed by mid-July at the latest. Following NEPA completion, escrow is targeted to close at the end of July or mid-August. 2021

Due to the pandemic, this business was forced to close from March 2020 to July 2021 due to the nature of the business being a bar. The funding this business received from United Way was able to help the business retain 4 FTE jobs and assist in any past due bills to ensure the businesses doors stay open. The 17th Street Public House is a minority and woman owned business, that through this funding we were able to help alleviate some hardships that they unfortunately accrued during the pandemic.

IDIS

IDIS						
Plan IDIS Year Projec	Project Title and Description		Program	Project Estimate	Commited Amount	Amount Drawn Thru Report Year
2021 1	AP - CDBG & HOME Direct Administration (21/22)	The project allows the Housing Division the ability to provide CDBG & HOME administrative services to ensure the implementation of all Housing Division projects. The City is permitted to charge up to	CDBG	\$84,867.00	\$88,383.89	\$88,383.89
		20% of its 2021 CDBG allocation (minus Indirect Administration charges) and up to 10% of its 2021 HOME allocation for administration costs (minus Fair Housing Services funding).	HOME	\$24,873.00	\$24,000.00	\$24,000.00
2	AP - CDBG Indirect Administration (21/22)	To provide Indirect Administrative funds of up to 10% of the 2021 CDBG allocation for indirect services necessary to complete all Housing Division activities.	CDBG	\$122,867.00	\$51,078.14	\$51,078.14
3	AP - CDBG City and County Continuum of Care Administration (21/22)	This project involves the provision of CDBG administrative funding support to the Merced County Human Services Agency, who acts as the Collaborative Applicant for the City and County Continuum of Care, in carrying out joint planning efforts to end homelessness city- and county-wide.	CDBG	\$38,000.00	\$38,000.00	\$0.00
4	AP - HOME Fair Housing Services Administration (21/22)	The City will use \$30,000 of its HOME Administration funds to support a fair housing education, counseling, and antidiscrimination legal services program in partnership with Project Sentinel, Inc., to benefit approximately 85 or more persons, to address the City's responsibility to ensure and protect the fair housing rights of its residents.	HOME	\$30,000.00	\$30,000.00	\$16,011.52

PFI - CDBG S. Canal St./W. Childs Ave. Street, Sidewalk, Curb, & Gutter Installation (FY 21/22)

IDIS

2021 5

Assistance for improving public infrastructure, CDBG and includes all project costs including plan design work carried out by the City Engineering Department and 10% activity delivery costs (ADC) for Housing Division staff.

delivery costs (ADC) for Housing Division staff.

This project will install new street, sidewalk, curb, gutter, and crosswalk improvements at the Southeast Corner of S. Canal Street and W. Childs Avenue to prepare the site for a future grocery store. It is anticipated that installation of these improvements will entice a grocery store chain to develop the rest of the site for a much-needed grocery store in South Merced. Additionally, these improvements will improve the pedestrian safety for residents loving in the immediate area and will improve pedestrian access to the Merced County Fairgrounds nearby, where regular events are held, including a flea market each Saturday morning.

\$825,000.00 \$0.00

PFI - CDBG Water Mains and/or Services for LMI Homeowners for Drought Response (21/22)

Assistance for improving public infrastructure CDBG for delivery of safe drinking water to residents.

\$432,333.00

for delivery of safe drinking water to residents. The City of Merced relies on ground water as its sole source for public drinking water for domestic use, and protection of the quality of ground water is essential to ensure future prosperity and health of its citizens. When County areas are ammissed into the City. Municipal Code Chapter 8.12 (Water Wels) allows residential properties within the annexed areas to continue and maintain their existing private water wells as their source of domestic water until the well talks in some way, whether by contamination, drought/drying upor some other reason. Rehabilitation of existing or drilling of new water wells is prohibited under this Code Section, thus requiring property owners to connect to City water delivery services and infrastructure, which most oftentines involves installation of water service subs to the property line and may even involve extension of water main infrastructure along its frontage.

Infrastructure along its frontage.

There are many residential properties that have been ammoved into the City over past decades who are still using the domestic water wells they had as County residents, and many of these residents are low-income or below and cannot afford all or most of the oosts involved in connecting to City water services, which include: 1) cost of permanent destruction of the existing well; 2) payment to the City of one-time facility connection fees (currently 98,976 for a one-inch service); 3) deposit to the City for the cost of labor and materials for installation of the water service stuft from water main to property line (currently 98,500, and unused amount is refunded); and, 4) cost of installing plumbing lines from house to connect to the new water service stub. The total connection fees to the City alone are approximately \$15,000. Residents who cannot afford these costs must pay for costly monthly independent water delivery services, must borrow water from willing neighbors, or at 5/20 5/20

PSA - CDBG Employment & Housing: Alliance for Community Transformations "Economic Stability" (21/22)

Alliance for Community Transformations (ACT) CDBG - Valley Crisis Center will receive \$33,480 for its "Achieving Economic Stability with Survivors of Volence" program to provide weekly life skills, intensive case management (focusing on employment and housing), transportation, and rental deposit assistance upon locating stable housing to residents of Valley Crisis Center's shelter to increase their ability to be successful living on their own. Through the life skills classes, clients will learn everything that they need to be successful on their own. Classes will include, but not be limited to, topics such as budgeting, nutrition, household maintenance, and how to be a good tenant. Through case management, clients will gain the understanding and support they need to find employment and housing. Once clients find stable housing, this project will allow ACT to help them pay their first/last rent deposit to help ensure their success. Sierra Saving Grace will be provided \$550,000 CDBG of CDBG funding to acquire at least 2 (two) residential units for subsequent rehabilitation/repair and conversion to affordable housing for formerly homeless individuals or families. Amount includes no more than \$500,000 to scquire and rehab a property and up to \$50,000 (10%) for activity derivery costs. The estimated cost of necessary rehab work will be included in the purchase price. This project meets multiple needs and priorities of the Five-Year Consolidated Plan for wall housing services – permanent supportive housing cose management), addition of affordable housing in the success.

IDIS

2021 20

HSG - HOME CHDO Reserves: Community Housing
Development Org Affordable Housing/Rehab Projects least 15% of its HOME funds for Community
Housing Development Organization (CHDO)
projects, which could include such eligible
activities as affordable rental housing
construction and rehabilitation of rental
housing units. For the 2021 HOME allocation,
this amounts to \$85,000, with an additional
\$17,000 for activity delivery costs (total of
\$102,000).

Additionally, as discussed elsewhere in this plan, the City will be de-funding the Gateway Terrace II project of all HOME and HOME CHDO funds previously approved by previous annual plans using prior-year funds. The developer of Gateway Terrace II is the City's current certified CHDO partner. As a result of the change in funding, and after approval of this plan, the City will have available a total of \$514,410 of HOME CHDO and up to \$102,882 of activity delivery funds to re-allocate to new HOME and/or HOME CHDO projects.

As also discussed elsewhere in this plan and project list, the City is currently in discussions with several affordable housing developers for new affordable rental housing projects. One or two of these developers may qualify to be certified as a new CHDO partner with the City. If this occurs, the activity for use of these 2021 and prior-year CHDO funds will be an affordable housing project.

Alternatively, if none of these developers qualify as a CHDO, the City will use these funds towards an eligible rental rehabilitation project with our current CHDO partner. Central Valley Coalition for Affordable Housing (CVCAH). CVCAH owns several rental properties within the city limits of Merced that would be suitable and near shovel-ready projects for rehab activities.

19/20

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
OFFICE OF COMMUNITY PLANNING AND DEVELOPMENT
PR06 - Summary of Consolidated Plan Projects for Report Year

DATE: 8/15/2022 TIME: 3:52:57 PM PAGE: 20/20

IDIS 2021 20

HSG - HOME CHDO Reserves: Community Housing
Development Org Affordable Housing/Rehab Projects least 15% of its HOME funds for Community
Housing Development Organization (CHDO)
projects, which could include such eligible
activities as affordable rental housing
construction and rehabilitation of rental
housing units. For the 2021 HOME allocation,
this amounts to \$55,000, with an additional
\$17,000 for activity delivery costs (total of
\$102,000).

Additionally, as discussed elsewhere in this plan, the City will be de-funding the Gateway Terrace II project of all HOME and HOME CHDO funds previously approved by previous annual plans using prior-year funds. The developer of Gateway Terrace II is the City's current certified CHDO partner. As a result of the change in funding, and after approval of this plan, the City will have available a total of \$514,410 of HOME CHDO and up to \$102,882 of activity delivery funds to re-allocate to new HOME and/or HOME CHDO projects.

As also discussed elsewhere in this plan and project list, the City is currently in discussions with several affordable housing developers for new affordable rental housing projects. One or two of these developers may qualify to be certified as a new CHDO partner with the City. If this occurs, the activity for use of these 2021 and prior-year CHDO funds will be an affordable housing project.

Alternatively, if none of these developers qualify as a CHDO, the City will use these funds towards an eligible rental rehabilitation project with our current CHDO partner. Central Valley Coalition for Affordable Housing (CVCAH). CVCAH owns several rental properties within the city limits of Merced that would be suitable and near shovel-ready projects for rehab activities.

Funds Leveraged for Activities Completed: \$0.00

Notes

- 1 Also, additional funds may have been available from prior years.
- 2 The return of grant funds is not reflected in these expenditures.
- 3 Derived by dividing annual expenditures for low-and moderate-income activities by the total expenditures for all activities (excluding planning and administration, except when State planning activities have a national objective) during the program year.
- 4 For entitlement communities, these data are only for those activities that directly benefit low- and moderate-income persons or households. They do not include data for activities that provide assistance to low- and moderate-income persons on an area basis, activities that aid in the prevention and elimination of slums and blight, and activities that address urgent needs. For states, these data are reported for all activities that benefit low- and moderate-income persons or households, aid in the prevention and elimination of slums and blight, and address urgent needs.
- 5 This number represents the total number of persons/households for whom services/facilities were available for [in many cases] multiple area benefit activities as reported by grantees. A service or facility meeting the national objective of benefiting low- and moderate-income persons on an area basis is available to all residents of the area served by the activity. If one or more activities had the same or overlapping service areas, the number of persons served by each activity was used to calculate the total number served; e.g., if two activities providing different services had the same service area, the number of persons in the service area would be counted twice; once for each activity.

2021 Consolidated Annual Performance and Evaluation Report (CAPER) Summary of Citizen Participation Comments Received

Public Input Meeting – Tuesday, August 9, 2022; 5:30 – 6:30 p.m.
Sam Pipes Meeting Room – First Floor, Merced City Hall, 678 W. 18th Street, Merced
Note: Advertised with Public Notices published August 4, 2022, in English, Spanish, and Hmong

Notes: Staff's PowerPoint presentation included information about what the CDBG and HOME programs are and what programs were funded during 2021. A handout given to attendees provided preliminary statistical and accomplishment data on each implemented program.

One member of the public attended this meeting.

15-Day Public Comment Period (August 22 – September 6, 2022) – Comments Received Note: Advertised with Public Notices published August 4, 2022, in English, Spanish, and Hmong

Notes: The comment period was advertised as August 22 – September 5, 2022, then was extended an additional day, to September 6th, to accommodate the Labor Day federal holiday that occurred during the period.

 No written or verbal public comments were submitted to the Housing Division during the Comment Period, and Housing Staff did not receive any inquiries by phone, email, or in person during the Comment Period.
 No members of the public requested to view a copy of the report in person. The report was posted to the City's website and was available to the public to view and download.

Review/Approval Meeting: Merced City Council Meeting of Monday, September 19, 2022 – 6:00 p.m.

Merced City Hall, 678 W. 18th Street, Merced

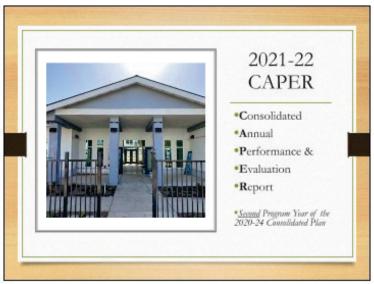

Note: No public hearing required, per Citizen Participation Plan. Meeting advertised with Public Notices published

August 4, 2022, in English, Spanish, and Hmong

Notes: Staff's PowerPoint presentation included information about the amount of CDBG and HOME funds made available vs. spent, highlights of programs that were awarded and implemented, and statistical data of beneficiaries served. The presentation also reviewed the steps taken to follow the adopted Citizen Participation Plan.

Agenda Item K.1. There were no comments from the public for this meeting. City Council members
discussed ways to increase public interest and outreach in the yearly CAPER reporting process.

Fair Housing Resources and Services

Fair Housing Services for Merced City Residents:

Through federal funding provided by the U.S. Housing and Urban Development, the City of Merced is contracted with Project Sentinel, Inc. to assist tenants and landlords within the City of Merced city limits with fair education, dispute resolution, and advocacy.

Project Sentinel may be able to help with:

- · Investigating your complaint
- · Educating the owner or manager about their legal obligations
- · Negotiating with the property owner or manager on your behalf
- · Helping you file a complaint with a state or federal fair housing enforcement agency
- · Advocating for you during the complaint process

Contact Project Sentinel:

- Telephone Toll Free: (888) 324-7468 or (800) 339-6043
- TTY: 7-1-1
- · Website: www.housing.org

Childs Avenue & B Street Affordable Housing Project

UPDATE - Thursday, April 14, 2022:

This project is <u>almost</u> complete and <u>almost</u> ready for tenants! We received information <u>today</u> from the developers that their website is now active. Potential tenants can now apply to be placed on the waitlist!

As property management reviews each waitlist application, they will then work with potential tenants on completing the full application online and paying their application fees.

We do not yet know when the complex will begin renting, but more information may be available soon. We will try to keep this website updated.

Please note that the name of the complex has been changed for marketing purposes to "The Retreat Apartments."

WAITING LIST WEBSITE; https://richmanpropertyservices.com/locations/the-retreat/

FLOORPLANS: The Retreat Floorplans 4-14-2022

 ${\it The City of Merced Housing Division is proud to be a partner in making this project happen! \ We con.}$

e all future tenants and welcome you.

Warm Regards,

Planning and Housing Division staff

City of Merced Development Services Department

"It's Not Just a Housing Project"

In partnership with development team of the Central Valley Coalition for Affordable Housing and The Richman Group (forming Merced CA Apartments, LLC), along with the County of Merced, Central Valley Opportunity Fund, Central California Alliance for Health, California State Affordable Housing and Sustainable Communities (AHSC) Program, and the Merced County Association of Governments, the City of Merced is finalizing the last funding pieces of this nearly \$49 million affordable housing project that will bring new housing opportunities and supportive services to low-income families and individuals.

"The Childs Court Apartments," when constructed, will house 30 extremely low- and 88 low-income individuals and families, plus an on-site manager, for a total of 119 units, comprised of one-, two, and three-bedroom apartments. The 30 units for extremely low-income individuals are intended for permanent supportive housing to successfully help house up to 30 of our local homeless. The development will be located on a 4-acre parcel at the northwest corner of East Childs Avenue and B Street, and will also feature a courtyard-style community with amenities such as solar energy covered carports and vehicle charging stations, a swimming pool, resident gardening area, laundry facilities, and a family play/barbeque/patio area. Additionally, a 3,890-square-foot community center will include common area, fitness, and multipurpose rooms, as well as manager and service provider office spaces. Construction is expected to begin in October 2020 and finish by Summer of 2022.

Off-site, the project brings public improvements in the form of full street improvements on the entirety of B Street, including new bike lanes, repaying, street lights, new/replaced sidewalks, curbs, and gutters, crosswalks, street trees, and water main. At the corner of E. Childs and B Street, a new storm water basin will be installed, and the corner will also include a small park for the neighborhood. New bike lanes will also be added to E. 13th and E. 13th Streets, and sharrow markings will be added to D Street and E Street. Installation of the off-site public improvements is expected to finish by Summer of 2023.

Housing Programs

The City of Merced periodically offers different loan programs for residents hoping to purchase or rehabilitate their homes. Loan programs and types may vary depending on available funding.

Please contact our office, (209) 385-6863, to learn more about which program will best serve your needs, or feel free to explore our website.

CALHOME Loan Program

5/2/2022 - Update regarding NEW 2021 CalHome Program funding!

On April 19, 2022, the City of Merced was notified that we were successful with our November 2021 application to the State for new funding through their CalHome Program. The City of Merced has been awarded \$1,125,000 for First Time Homebuyer (FTHB) program funding and \$1,375,000 for Owner-Occupied Rehabilitation (OOR) program funding.

- FTHB assistance is aimed at providing financial support to help families purchase their first
 home. This program provides low interest rate loans to help with down payment and closing
 costs. Applicant must be able to qualify for a first mortgage loan.
- OOR assistance is aimed at assisting low- to moderate-income homeowners who currently live in
 their homes with necessary repairs for health and life safety and that preserve and extend the
 useful life of the home itself (no remodels). Oftentimes, families can afford to buy a home, but
 cannot afford the expensive repairs such as leaking roofs, failed water heaters, or broken
 heating/air conditioning systems that inevitably come with homeownership.

These funds can also be used to construct new or rehabilitate/repair existing Accessory Dwelling Units or ADUs (more commonly known as "granny units") on residential properties within the City limits where a "primary" home already exists. Please inquire with the City of Merced Planning Department to find out the Zoning requirements for construction of new ADUs (phone: 209-385-6858, or email: planning@cityofmerced.org).

Who to Contact:

The City of Merced is partnering with Self Help Enterprises to help us get these new programs up and running and to administer them, which includes working directly with City residents on qualifying for FTHB funding, overseeing OOR projects, and more.

Important: Self Help does not expect to be able to start these programs until after July 1, 2022. We thank you for your understanding.

City of Merced residents can reach Self Help Enterprises at:

https://www.cityofmerced.org/departments/economic-development/housing-division/housing-programs

- First Time Homebuyer program/ADU new construction: phone 559-802-1647
- Owner Occupied Rehabilitation/existing ADU rehabilitation: phone 559-802-1642

<u>Priority to Existing Waiting List Residents</u>: For residents interested in applying for FTHB funding, please be advised that residents that are on our existing FTHB waiting list will be given first priority, as some residents have been on this list for more than five years while waiting for new funding to become available. After all residents on the waiting list have been contacted and assisted with their applications, Self Help Enterprises will then begin assisting new interested residents through the application process. As such, if you are on the waitlist and are still interested, please contact Self Help Enterprises at the above number. Please note that the waiting list is now CLOSED for new wait list applicants.

The City of Merced has assisted City of Merced residents in past years through CalHome funding.

Although the new 2021 funding has different rules, as determined by the State, the steps in the process are about the same - see below. Self Help Enterprises will be assisting residents through most phases of the process.

Steps to qualify for CalHome First Time Home Buyer Assistance:

Housing Successor Agency & Surplus Land Properties

Surplus Land

State law requires the City to identify and make available a list of surplus City lands. The City reviews this list and updates it annually or as otherwise necessary. The following table lists these lands and their attributes. Maps of the sites are also provided.

Interested parties may submit inquiries to:

- Sites 1-6: Maria Mendoza, Economic Development Manager, mendozam@cityofmerced.org
- Site 7-16: Kim Nutt, Housing Program Supervisor, nuttk@cityofmerced.org

ENA - These properties have Exclusive Negotiating Agreements with affordable housing developers:

- Sites 7-11: Linc Housing is working on deliverables site plan, elevations, a pro forma, and will be applying for funding this Fall and applying for project financing.
- <u>Sites 12-15</u>: Habitat for Humanity has become the Fuller Center and to support their development project the City Council approved \$45,000 in HOME funds within the HUD Annual Plan, will cover permit and other City fees.
- <u>Site 16</u>: The 73 S. R St Property has been awarded \$4.2 million in Homekey funds by the State of California
 Housing and Community Development (HCD) department for a container based, homeless veteran's supportive
 housing project CC915 and Merced Rescue Mission will manage and operate.

We are in the process of executing Disposition Development Agreements (DDA's) with the three groups selected by the City Council to provide for property transfer. The DDA's will include a Regulatory Agreement requiring 55 year affordability covenants meeting the income levels required by both the Housing Successor Agency and Surplus Land Act statutes.

10/18/2021 (City Council)	Approval of an Affordable Housing Funding Plan and Authorization of Conditional Letters of Commitment Subject to Review by the City Attorney	City Council Admin Report 21-826
10/20/2021 (Planning Commission)	General Plan Amendment #21-02, Site Utilization Plan Revision #12 to Planned Development (P-D) #8, and Site Plan Review #473, initiated by UP Holdings, California, LLC, on behalf of Ashley Investments, LLC, for approximately 6.93 acres of land, generally located at the southeast corner of Loughborough Drive and Meadows Avenue. The General Plan Amendment would change the General Plan designation for approximately 5.59 acres from Regional/Community Commercial (RC) to High Density Residential (HD). The Site Utilization Plan Revision would change the Site Utilization Plan land use designation from High-Medium Density Residential (12-24 units/acre) for 5.59 acres to High-Density Residential (24-36 units/acre) to allow construction of 161 units and to change the land use designation for 1.34 acres from High-Medium Density Residential to Office to allow the construction of a medical/dental clinic. Site Plan Review #473 would allow the construction of the project in compliance with the design standards set forth in Site Utilization Plan Revision #12 to P-D #8.	Planning Commission Staff Report 21-665
11/15/2021 (City Council)	Adoption of a Resolution Authorizing the Submittal of a Grant Application Under the 2021 State of California Housing and Community Development (HCD) CalHome Program for First Time Home Buyer Mortgage Assistance, Accessory Dwelling Unit/Junior Accessory Dwelling Unit Assistance, and Owner-Occupied Rehabilitation Assistance; and Approving a Subrecipient Agreement with Self-Help Enterprises to Administer and Implement the Grant Activities if Awarded	City Council Admin Report 21-890

12/8/2021 (Planning Commission)	Density Bonus #21-01, initiated by UP Holdings, LLC, on behalf of the Stan Short Trust, property owner. This application involves a request to consider Density Bonus #21-01 which permits an increase in density and provides for concessions to development standards to allow the construction of 65 affordable permanent supportive housing units, a manager's unit, and a community/office area within a three-story building on a 1.54-acre parcel, generally located on the west side of Park Avenue, between Olive Avenue and Alexander Avenue. The site has a General Plan Designation of High-Medium Density (HMD) Residential and a Zoning designation of Planned Development (P-D) #4	Planning Commission Staff Report 21-956
12/20/2021 (City Council)	Report on Encampment Services as Previously Directed by the City Council	City Council Admin Report 21-985
12/20/2021 (City Council)	Adoption of a Resolution Authorizing the Submittal of a Joint Application and Participation in the State of California Housing and Community Development (HCD) Homekey Program; Authorizing the Finance Officer to Make Necessary Budget Adjustments to Implement the Homekey Program; and Authorizing the Finance Officer to Use Pooled Cash if Necessary Pending Reimbursements from the Homekey Program	City Council Admin Report 21-901
12/20/2021 (City Council)	Public Hearing to Consider Adoption of a Resolution Authorizing and Adopting the Permanent Local Housing Allocation Plan and Adoption of a Resolution Authorizing the Submittal of an Application to the Permanent Local Housing Allocation Program of the State of California Housing and Community Development	City Council Admin Report 21-904
1/3/2022 (City Council)	Approval of Density Bonus #21-01 Initiated by UP Holdings, LLC, to Allow an Increase in Density and Concessions to Development Standards to Allow the Construction of a 66-unit Apartment Complex Including 65 Affordable Permanent Supportive Housing Units, a Manager's Unit, and a Community/Office Area Within a Three-Story Building on a 1.54-Acre Parcel, Generally Located on the West Side of Park Avenue, Between Olive Avenue and Alexander Avenue and the Approval of a Regulatory Agreement with Mercy Village L.P. (Future Property Owner) to Memorialize the Affordability and Density Bonus	City Council Admin Report 21-988
1/18/2022 (City Council)	Adoption of a Resolution Authorizing the Submittal of a Joint Application and Participation in the State of California Housing and Community Development (HCD) Homekey Program	City Council Admin Report 22-022
1/18/2022 (City Council)	Allocation of Fiscal Year 2021-22 U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) Program Resources to Fund Subrecipient Agreements with Sierra Saving Grace Homeless Project and the Merced Rescue Mission for the Respective Programs Approved with the Adopted 2021 Annual Action Plan	City Council Admin Report 22-032

3/21/2022 (City Council)	Acceptance of the 2021 General Plan Annual Report Summarizing the Status of the Merced Vision 2030 General Plan and the Steps Taken to Implement the General Plan Policies and Implementation Actions and Acceptance of the 2021 Housing Element Annual Progress Report Summarizing the City's Progress in Meeting the City's Share of Regional Housing Needs and the Goals and Policies of the Housing Element Including the Number of Entitlements, Permits, and Certificates of Occupancy for All Housing Types	City Council Admin Report 22-120
3/21/2022 (City Council)	Acceptance of the Housing Successor Agency Annual Compliance Report for Fiscal Year 2020-21 Pursuant to Health and Safety Code Section 34176.1(f) Including, but not Limited to, Housing Asset Fund Activities, Compliance with Expenditure and Surplus Limits, Real Property Assets, and Loans Receivable	City Council Admin Report 22-125
3/23/2022 (Planning Commission)	General Plan Amendment #22-02 and Zone Change #430, initiated by Visionary Homes on behalf of Evan R. Rahilly and Marlea Massey, Trustees, property owners, for approximately 4.59 acres of land generally located on the east side of Parsons Avenue, approximately 300 feet south of Yosemite Parkway. The General Plan Amendment would change the General Plan land use designation from Thoroughfare Commercial (CT) to High-Medium Density (HMD) Residential. The Zone Change would change the Zoning designation from Thoroughfare Commercial (C-T) to Medium Density Residential (R-3-1.5). These changes would allow the construction of a 108-unit apartment complex, including a community building for the tenants, and associated parking.	Planning Commission Staff Report 22-200
3/23/2022 (Planning Commission)	Density Bonus #22-01, initiated by Visionary Homes of California, LLC, on behalf of Evan R. Rahilly and Marlea Massey, Trustees, property owners. This application involves a request to consider concessions and waivers to certain Design Standards for Multifamily Dwellings. The concessions and waivers would allow the construction of a 108-unit affordable apartment complex on approximately 4.59 acres of land generally located on the east side of Parsons Avenue, approximately 300 feet south of Yosemite Parkway (Hwy 140)	Planning Commission Staff Report 22-204
4/4/2022 (City Council)	Report to Consider Adoption of a Resolution Approving a Regional Housing Needs Allocation (RHNA) Unit Production Plan to Support the Production of Affordable Housing Units	City Council Admin Report 22-119
4/4/2022 (City Council)	Approval of Allocation of U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant Program Resources and Approval of Associated Subrecipient agreements with Alliance for Community Transformations and Harvest Time for the Respective Programs Approved with the Adopted 2020 and 2021 Annual Action Plans	City Council Admin Report 22-239
4/4/2022 (City Council)	Public Hearing – Introduction and Preliminary Review of Proposed Expenditures of Community Development Block Grant and Home Investment Partnership Program Funds for Fiscal Year 2022-2023, to be included in the Draft U.S. Department of Housing and Urban	City Council Admin Report 22-243

	Development (HUD) 2022 Annual Action Plan; and Receipt of Public Comment During the Public Hearing	
4/18/2022 (City Council)	Approval to Accept and Appropriate Grant Funds from the State of California Department of Housing and Community Development (HCD) from the Homekey Program in the Amount of \$4,420,000	City Council Admin Report 22-283
5/2/2022 (City Council)	Public Hearing to Consider a Resolution Approving General Plan Amendment #22-02 and Environmental Review #22-14 (Mitigated Negative Declaration), and the Introduction of an Ordinance for Zone Change #430 for Approximately 4.59 Acres Located on the East Side of Parsons Avenue, Approximately 300 Fee South of Yosemite Parkway (Hwy 140); and Approval of a Legislative Action Agreement for the Project	City Council Admin Report 22-215
5/2/2022 (City Council)	Approval of Density Bonus #22-01, Initiated by Visionary Homes of California, LLC, on Behalf of Evan R. Rahilly and Marlea Massey, Trustees, Property Owners and Approval of Certain Concessions to Development Standards to Allow the Construction of 108-Unit Affordable Apartment Complex at 1808 Parsons Avenue	City Council Admin Report 22-217
5/2/2022 (City Council)	Approval of Memorandum of Understanding Between the City of Merced and the County of Merced for Reimbursement of Prorated Share of Countywide Broadband Strategic Plan in the Amount of \$69,030	City Council Admin Report 22-286
5/2/2022 (City Council)	Approval of a Professional Services Agreement for Design of an off the Shelf Master Plan Set for Cottages and Accessory Dwelling Units	City Council Admin Report 22-268
5/16/2022 (City Council)	Second Reading and Final Adoption of an Ordinance for Zone Change #430 for Approximately 4.59 Acres Located on the East Side of Parsons Avenue, Approximately 300 Feet South of Yosemite Parkway (Hwy 140)	City Council Admin Report 22-404
5/16/2022 (City Council)	Approval of Allocation of U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant Program Resources and Approval of Associated Subrecipient Agreements with the County of Merced, on Behalf of its Human Services Agency, for the Respective Programs Approved in Support of the Continuum of Care with the Adopted 2020 and 2021 Annual Action Plans	City Council Admin Report 22-334
5/16/2022 (City Council)	Second Public Hearing for Receipt of Public Comment Regarding the U.S. Department of Housing and Urban Development (HUD) 2022 Annual Action Plan; Review Changes to Proposed Expenditures of Community Development Block Grant and Home Investment Partnership Program Funds for Fiscal Year 2022-2023; Update on 2022 HUD Allocation; and Continue the Public Hearing to June 21, 2022	City Council Admin Report 22-378
6/6/2022 (City Council)	Approval to Accept and Appropriate Grant Funds from the State of California Department of Housing and Community Development from the Permanent Local Housing Allocation Program in the Amount of \$1,324,969	City Council Admin Report 22-410

6/6/2022 (City Council)	Approval of a Property Access License Between CC915 Merced, Inc. and the City of Merced Subject to Review by the City Attorney	City Council Admin Report 22-457
6/21/2022 (City Council)	Public Hearing to Consider General Plan Amendment #21-02 and Site Utilization Plan Revision #12 to Planned Development (P-D) #8, Initiated by Ashley Investments, LLC, for Approximately 6.93 Acres of Land, Generally Located at the Southeast Corner of Loughborough Drive and Meadows Avenue to Allow the Construction of 161 Residential Units and to Allow the Construction of a Medical/Dental Clinic	City Council Admin Report 22-421
6/21/2022 (City Council)	Approval of Affordable Housing Funding Commitments and Authorization of Conditional Letters of Commitment Subject to Review by the City Attorney	City Council Admin Report 22-471
6/21/2022 (City Council)	Continued Public Hearing for Receipt of Public Comment Regarding the U.S. Department of Housing and Urban Development (HUD) 2022 Annual Action Plan; and Request to Further Continue the Public Hearing and Anticipated Approval of the Annual Plan to the July 5, 2022, City Council Meeting	City Council Admin Report 22-433
7/5/2022 (City Council)	Final (Second) Public Hearing for Receipt of Additional Public Comment and Approval of the U.S. Department of Housing and Urban Development (HUD) 2022 Annual Action Plan	City Council Admin Report 22-514
7/18/2022 (City Council)	Award a Professional Services Agreement for an Infill Study and to Design a Master Plan Set for Duplexes and Triplexes	City Council Admin Report 22-485
8/1/2022 (City Council)	First Amendments to Program Year 2021-22 Subrecipient Agreements with Merced Rescue Mission for the "Hope for Families" Program and with Alliance for Community Transformations for the "Achieving Housing and Economic Stability with Survivors of Violence: Program	City Council Admin Report 22-429
8/3/2022 (Planning Commission)	Density Bonus #22-02, initiated by Custom Containers 915 and Merced Rescue Mission, on behalf of the Housing Successor Agency, property owner. This application involves a request to permit an increase in density and provides waivers and concessions to development standards and ordinance regulations. The proposal includes the construction of 4 affordable permanent supportive housing structures, a laundry room, a manager's unit, within two two-story duplexes and a future accessory dwelling unit on a 0.46-acre parcel at 73 S. R Street. The subject site is generally located on the west side of R Street approximately 225 feet south of Childs Avenue. The site has a Zoning Classification of Low Density Residential (R-1-6) with a General Plan Designation of Low Density Residential (LDR).	Planning Commission Staff Report 22-448
8/15/2022 (City Council)	Approval of a Professional Services Agreement for \$95,000 to Conduct a Prohousing Feasibility Study	City Council Admin Report 22-574

8/15/2022 (City Council)	Public Hearing to Consider a Resolution Approving the Sale of the Housing Successor Agency Property at 73 S. R. Street; Accepting the Summary Report pursuant to Section 33433 of the California Health and Safety Code; Approving a Disposition and Development Agreement Between the City of Merced (Acting on its Own Behalf and as the Housing Successor) and CC915 Merced, Inc. for the Development of a 4-Unit Affordable Housing Complex with a Future Accessory Dwelling Unit for Extremely Low-Income Unsheltered Veterans; and Adopting a Regulatory Agreement for Density Bonus #22-02 with Terms of Affordability with Approval of Waivers and Concessions to Certain Development Standards and Zoning Codes. The 0.46-Acre Subject Site is Generally Located on the West Side of R Street, Approximately 225 Feet South of Childs Avenue. The Subject Site has a Zoning Classification of Low Density Residential (R-1-6) with a General Plan Designation of Low Density Residential (LDR)	City Council Admin Report 22-594
