Hello my name is TaShandra Bellamy and I wanted to follow up on my request to appeal my property taxes . I came to the Council Meeting last month and spoke to the board regarding my situation.

Due to the PBID I cannot afford my mortgage which has went up almost an additional \$200 month due to the PBID. I also cannot afford the extra fee of \$985 dollars on my property tax statement . As I said in the meeting I am a single parent and I do work full time. I was blessed to be able to afford this property 3 years ago when I purchased it . However , with the increased expenses I am not able to make the necessary payments. Please advise is there anything that can be done ? I do not feel this is fair to the downtown residents of Merced who work and are living on one single income.

Thank You,
TaShandra Bellamy
